

Footprint Bee Craft

Materials Needed

- Yellow paint (washable) & a paint brush
- Paper or cardstock
- Black markers

Steps

- 1) Paint the bottom of your child's foot with yellow paint. Tip: If you put Vaseline on the foot before painting it, the paint comes off easier!
- 2) Firmly place your child's foot on the paper to make a footprint
- 3) Help your child clean off their foot
- 4) Let footprint dry
- 5) Use markers to colour stripes, antennas and wings
