

SCHEDULE

- October 16th - Public open House
- October 30th - deadline for comment form submission
- November 2008 - Refine final design and present to PCS (Parks and Community Services) Committee.
 - Develop trails and perform hazard tree mitigation work.
- January 2009 - Open Park to Limited Use.
- January - April 2009 - Detail design
- May - November 2009 - Implement Master Plan (budget dependent)

TREE BALANCE

Anticipated tree removals due to park development is 13.
 Tree removal due to root rot is 3.
 Please note that tree hazard mitigation work may require other tree removals though efforts will be made to retain or wildlife tree where possible.
 Anticipated tree replantings are 75 trees, with an emphasis on continuing the Grand Fir community.

PARKING

Existing Parking - Approximately 30 spaces.
 Proposed Parking - Total 60 spaces including:

- 20 spaces at buildings
- 40 spaces in overflow

Semiahmoo Bay
