**A. DELEGATIONS****1. Sean Simpson, GIS Manager**

File: 5270-01; 0550-20-10

**Note:** See Corporate Report R148 of the Regular Council – Public Hearing Agenda.

In attendance before Council to provide an overview on the "My Surrey App".

The following comments were made:

- With the increasing demand for easily accessible services on mobile devices, the City of Surrey is launching the "My Surrey App". It is the first of its kind in BC and an important component in the "Smart Surrey" Strategy.
- One of the goals of the My Surrey App is to increase awareness of existing services available at the City and new services as they become available. It is intended to complement the City website and contains all of the City's existing apps.
- Staff are currently working on new services such as a cycling module which will map out bike routes in Surrey as well as a parking module which will find parking closest to "my" location.
- Consideration is being given to adding City partner apps such as Surrey School Board's school link app.

**B. ITEMS REFERRED BY COUNCIL****C. CORPORATE REPORTS**
