

Community Enhancement Partnership Program (CEPP) Neighbourhood Enhancement Grant Guidelines

The Community Enhancement Partnership Program (CEPP) is an initiative of Council to encourage neighbourhood projects and activities that beautify our streets and public spaces.

Through the Program, residents, groups and businesses can apply to the City for a **Neighbourhood Enhancement Grant** to plan, organize and implement small beautification and place-making projects, activities and celebrations. Successful applicants match their requested grant amount with contributions of volunteer labour and services, donated materials, and/or cash. The Grant program is a partnership in which the applicant and the City contribute equally towards the applicants proposed project.

FUNDING CRITERIA & ELIGIBILITY

Neighbourhood Enhancement Grants are available to all Surrey residents, students, community groups, organizations or associations. Small businesses will also be considered for street or landscaping beautification projects. All applications must encourage inclusive neighbourhood participation. Projects must be undertaken within the geographic boundaries of Surrey. All applicants must demonstrate their project or activity will:

- focus on beautifying, celebrating and creating engaging places in Surrey;
- generate a public benefit in an inclusive and cooperative manner;
- involve members of the community in the project;
- commit to overseeing the project and any resulting maintenance;
- have broad neighbourhood support.

NEIGHBOURHOOD ENHANCEMENT GRANT CATEGORIES

The Program has two separate grant categories as illustrated below.

i) Small Project Grants

Small project grants have a maximum amount of \$3,000 per project. They are offered to support planning, organizing and implementing projects that physically improve the appearance of the City. As examples, a neighbourhood garden, boulevard landscaping, community pathway, floral tree plantings, decorative lighting display or a neighbourhood entrance feature would fall under this category. Creativity is encouraged.

Projects in this category must be completed within twelve (12) months of a grant being awarded.

ii) Celebration & Activity Grants

Celebration & Activity grants have a maximum amount of \$1,000 per project. They are offered to support community activism and celebration. Projects should engage, educate and celebrate community members. As examples, a neighbourhood festival or block party or a neighbourhood improvement campaign would fall under this category.

Projects that create opportunities to develop neighbourhood organization and promote community leadership are encouraged. The intent is to have neighbours meet and then work together on improving their community. Ideally, the community celebration will ultimately encourage people to get involved in improving their neighbourhood for the long term.

Projects in this category must be completed within six (6) months of a grant being awarded.

PROJECT MANAGEMENT & RECOGNITION

For awarded projects, photos must be submitted to the City as a permanent record and for potential posting on the City's website and within local newspapers.

PLEASE NOTE:

Awarded projects may be subject to inspection by City staff. Annual inspections may be undertaken to monitor maintenance and upkeep of projects.

- Applicants that have failed to undertake or maintain projects, as outlined on submitted applications, may be eliminated from consideration for future City grant opportunities.
- Applicants are required to abide by all Municipal, Provincial and Federal laws and regulations.
