RE: **UPDATE: Temporary 10 Hour Road Closure -August 2 to September 22, 2017
(7 a.m. to 5 p.m.)
21 Avenue: 166 Street to 168 Street**

RECOMMENDATION

For your information.

DISCUSSION

Date Change

This closure was originally schedule from August 2 to September 6, 2017; however, due to unforeseen difficult ground conditions during the pipe works installation an extension is required. Therefore, the road will now be closed until September 22, 2017.

Scope of Work

The installation of a sanitary sewer main, as per Land Development Servicing Agreement 7815-0046-00, requires the closure of 21 Avenue in two phases. Phase 1 will require the closure of 21 Avenue from 166 Street to Edgewood Drive and Phase 2 will require the closure of 21 Avenue from Edgewood Drive to 168 Street.

Emergency and Local Access

Local traffic will be permitted and driveway access will be provided. Emergency services vehicles will have access through the construction and detour. The road closure location and detour routing for Phase 1 and 2 are indicated on the attached maps for reference.

Timing

The temporary 10-hour per day road closure will take place Monday to Friday from 7 a.m. to 5 p.m. starting Wednesday August 2 through Friday September 22, 2017.

Notification

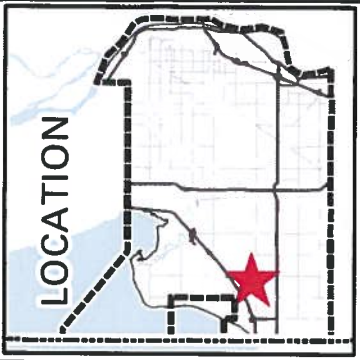

Local residents have been notified and information signs will inform the public in advance of the closure. Flag persons will be on site to assist motorists.
