

Community Enhancement Partnership Program (CEPP) Celebration & Activity Grant Application

The Community Enhancement Partnership Program (CEPP) is an initiative of Council to encourage neighbourhood projects and activities that beautify our streets and public spaces.

Through the Program, residents, groups and businesses can apply to the City for a **Neighbourhood Enhancement Grant** to plan, organize and implement small beautification projects, activities and celebrations. Successful applicants match their requested grant amount with contributions of volunteer labour and services, donated materials, and/or cash. The Program is a partnership in which the applicant and the City contribute equally towards a proposed project. For example, if you are applying for a \$500 grant, you will need to contribute an *equal* value of volunteer labour, supplies etc. Within this application package space is provided for you to document your contribution.

This is an application package for a **Celebration & Activity Grant** under the Neighbourhood Enhancement Grant Program.

Celebration & Activity grants have a maximum amount of \$1,000 per project. They are offered to support community activism and celebration. Projects should engage, educate and celebrate community members. As examples, a neighbourhood festival, block party or neighbourhood improvement campaign would fall under this category.

Who can apply? All Surrey residents, students, community groups, organizations or associations can apply. Informal groups, businesses and organizations also qualify.
