QUESTIONS AND ANSWERS:

Q1. The aerial photo in the RFEOI that outlines the approximate area of planning includes a wider area to the immediate south and the north of Hwy 99. Are there any public open space plans for this area?

A1. There are no existing park plans for these areas, that is the intent of this project.

Q2. The RFEOI identifies a public engagement strategy as part of the scope of services. Are actual consultation meeting included in the scope? If so, approximately how many and with which stakeholders are expected?

A2. Yes, meetings are expected. While not confirmed, it is likely 2 or 3 public meetings including a site visit along with 2 or 3 smaller meetings with stakeholder groups. This is not confirmed and may change with the RFP itself.

Q3. Are one or two concept plans expected for each of the proposed parks?

A3. One overall concept plan for the entire length, and two park specific plans for site A and B within the context of the overall plan are expected.

Q4. Is there a deadline for the completion of the Nicomekl Riverfront Plan?

A4. We haven't determined the expected completion date as of yet.
