INFORMATION FOR PROPONENTS

Proponents are advised that Addendum No. 2 to the above referenced Request for Proposals is hereby issued by the City. This addendum shall form part of the Contract Documents and is to be read, interpreted and coordinated with all other parts. The following information is provided to answer questions raised by a Proponent for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Proponent or any sub-Proponent not being familiar with this addendum. This Addendum No. 2 contains one (2) page in total.

QUESTIONS AND ANSWERS:

Q1. Are the building(s) likely to be single-storey or multiple? At-grade or with below-grade basement (or similar)?

A1. Buildings are likely to be a combination of large volume single storey (like gymnasium) and two-storey community centre spaces at grade.

Q2. Are the building(s) or future building expansion likely to extend beyond the area indicated on the site plan shown on page 16 of 46?

A2. No

Q3. Based on the scope of services outlined on pages 11&12 of 46, it assumed that the parking area will be asphalt-covered surface parking; is that correct?

A3. Correct

Q4. It is assumed the only test hole investigation required south of the building and parking (and through the wooded area to the south) as part of the scope of services is for the sanitary sewer extension and tie-in at 184 St. and 71 Ave., is that correct?

A4. Correct

END OF ADDENDUM

All Addenda will become part of the RFP Documents.
