### **INFORMATION FOR CONTRACTORS**

This Addendum is issued to provide additional information to the RFQ for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Contractor not being familiar with this Addendum. This Addendum No. 1 contains three (3) pages in total.

Q1: I was wondering if you could please supply the Auto Cad Drawing of the above mentioned RFQ for Walnut Park.

A1: The Auto Cad Drawing may be viewed and/or obtained at the Managed File Transfer Service (MFT) link noted below. Printing will be the sole responsibility of the Contractor. In the URL, or address field at the top, enter the following address: <https://mft.surrey.ca/> and hit "enter".

Enter "surreybid" as the User Name, "Welcome" as the password and then click "Login"

Q2: I was also wondering if you could supply the Concept Plan in a larger format as the legend was unreadable in the document on BC Bid.

A2: The Concept Plan in a larger format is attached to this Addendum #1.

Q3: Please confirm that the above-noted RFQ is for the supply only of playground equipment.

A3: This RFQ is for the supply and delivery of playground equipment. City staff will assemble the equipment.

Q4: Is the Nature Play area as illustrated on the concept plan separate from the RFQ?

A4: Yes.

Q5: 2.3 equipment should have a central vertical element mirroring the adjacent forest. Can you clarify what this means?

A5: The location of the playground is adjacent to a forested area, as a part of the concept there was a suggestion that a vertical element (platform above ground) would allow playground users a view into the forest canopy. This vertical element would entice park patrons to look up to the sky and forest when in the park.

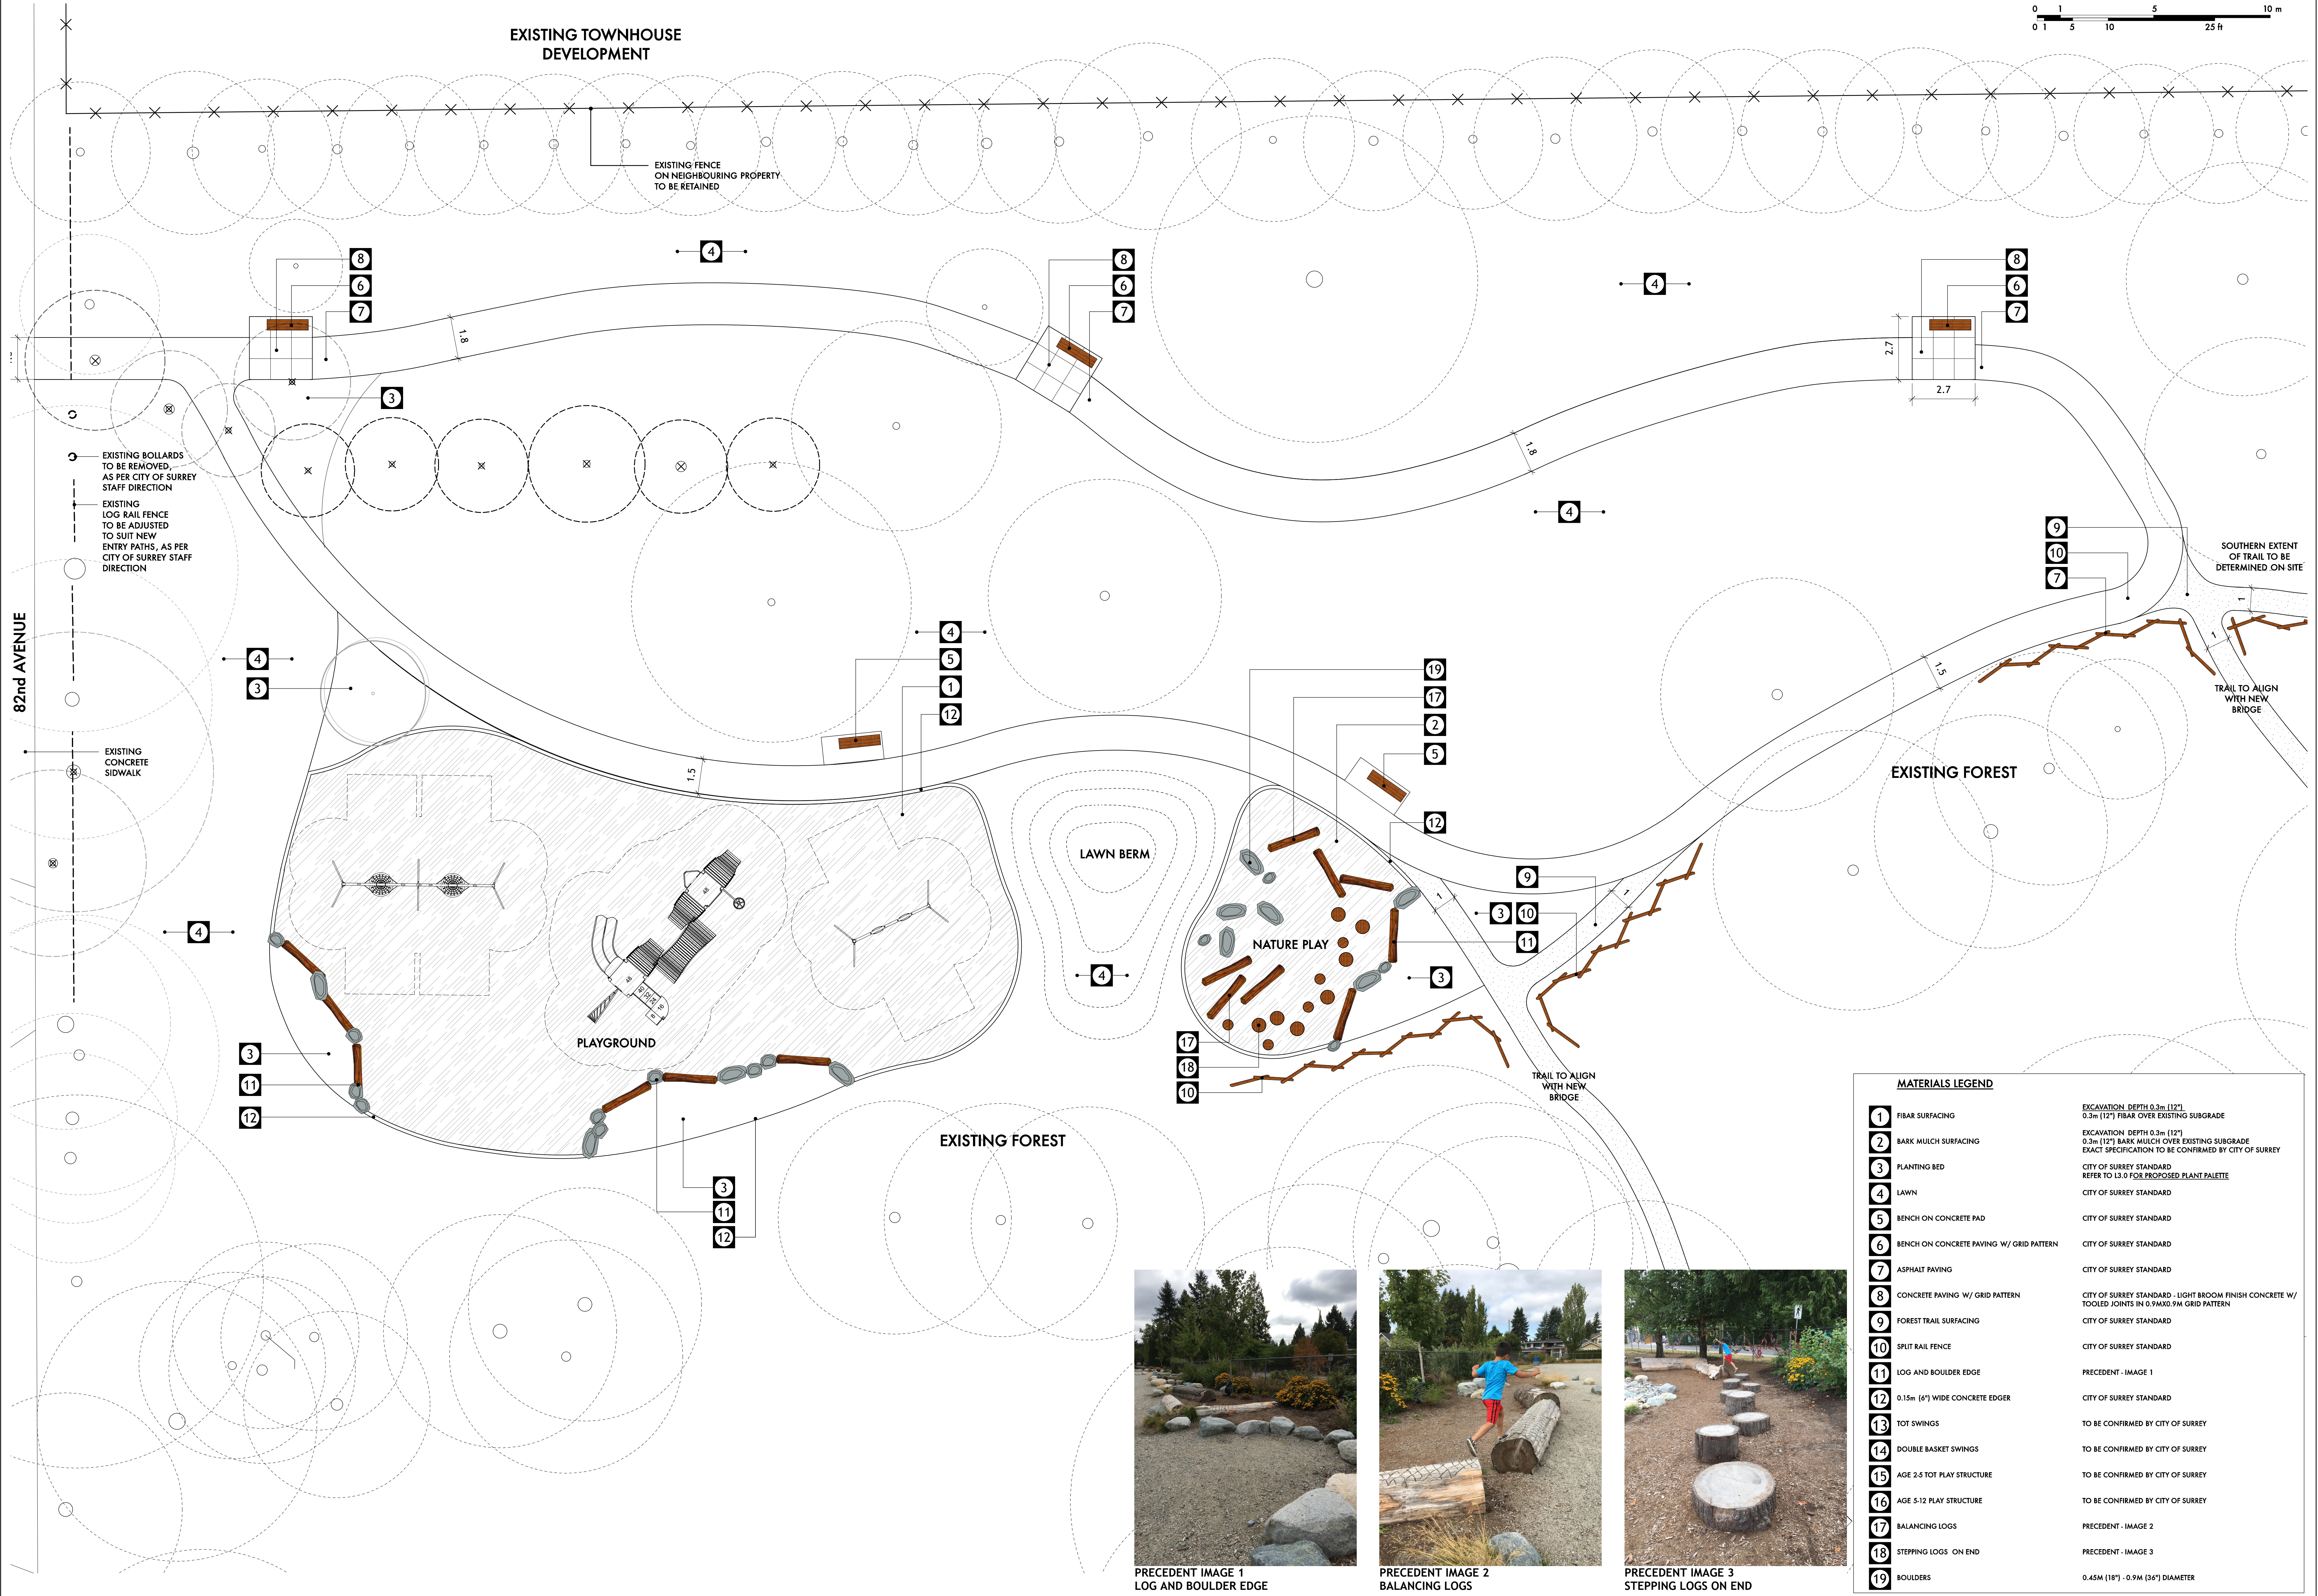

**END OF ADDENDUM #1**

---

All Addenda will become part of the RFQ Documents.
