#### **4.3 Discrepancies in Proponent's Financial Proposal**

If there are any obvious discrepancies, errors or omissions in Schedule C-5 of a Proposal (Proponent's Financial Proposal), then the City shall be entitled to make obvious corrections, but only if, and to the extent, the corrections are apparent from the Proposal as submitted, and in particular:

The City reserves the right and discretion to divide up the Services, either by scope, geographic area, or other basis as the City may decide, and to select one or more Preferred Proponents to enter into discussions with the City for one or more agreements to perform a portion or portions of the Services. If the City exercises its discretion to divide up the Services, the City will do so reasonably having regard for the RFP and the basis of Proposals.

In addition to any other provision of this RFP, Proposals may be evaluated on the basis of advantages and disadvantages to the City that might result or be achieved from the City dividing up the Services and entering into one or more Contracts with one or more Proponents.

  - (3) negotiation of amendments to the Preferred Proponent's price(s) as set out in Schedule C-5 to the Preferred Proponent's Proposal and/or scope of Services if:
    - (A) the Preferred Proponent's financial Proposal exceeds the City's approved budget, or
    - (B) the City reasonably concludes the Preferred Proponent's financial proposal includes a price(s) that is unbalanced, or
    - (C) a knowledgeable third party would judge that the Preferred Proponent's price(s) materially exceed a fair market price(s) for services similar to the Services offered by the Preferred Proponent as described in the Preferred Proponent's Proposal; or
- (c) if at any time the City reasonably forms the opinion that a mutually acceptable agreement is not likely to be reached within a reasonable time, give the Preferred Proponent(s) written notice to terminate discussions, in which event the City may then either open discussions with another Proponent or terminate this RFP and retain or obtain the Services in some other manner.

## **SCHEDULE A SCOPE OF SERVICES**

### **1. GENERAL**

The City of Surrey, invites Request For Proposals (RFP) to provide comprehensive architectural and professional design services including a thorough review of the Cloverdale Fairground Master Plan and the design and construction administration, handover and closeout of an Arena Complex in Cloverdale, BC (the "Site").

The Services shall include but not limited to all aspects of Site Master Planning, Public Consultation, Architectural, Building Engineering, Topographic surveying, Civil Site and Off-site Engineering, Code and Certified Professional, Value Engineering and Life-Cycle Analysis, Costing, Energy Modeling, Building Envelope, Landscaping, targeting LEED Silver standards and Traffic Planning consultancy services throughout the life time of the project – from the pre-design phase through conceptual/schematic and design development, tendering and construction administration to completion, handover and closeout of the project. Legal Surveying and Geotechnical services would be engaged directly by the City.

### **2. BACKGROUND**

As part of the City's Build Surrey Plan, there is a need for a 2-sheet arena complex in Cloverdale. To facilitate locating the facility on land owned by the City, there is a requirement to first formulate an updated Master Plan for the Cloverdale Fairgrounds site.

The City of Surrey: The City of Surrey is an energetic and dynamic city known for business and investment opportunities supported in part by its progressive and forward thinking economic vision. Surrey is a city within the greater Vancouver Census Metropolitan Area just over 40 minutes from downtown Vancouver and 30 minutes from the Vancouver International Airport. The City's population, estimated at 502,000 people, experienced a growth rate of 13%+ from 2001 to 2006 and is centered in a region that has a population in excess of 2.2 million people. The City of Surrey is the second largest city in B.C. Based on its high growth rate, Surrey is expected to surpass Vancouver to become the largest city in the Province in terms of population in the next 20 years ±.

Surrey's City Centre has been identified as Metro Vancouver's "2nd metropolitan core" and the downtown for the Fraser Valley. The City is traversed by five major highways and four railways, has deep-sea docking facilities and is located near an international airport. Two Canada/United States border crossings are located on the southerly boundary of Surrey.

Cloverdale: Settled in the mid to late 1800s, Cloverdale grew from a largely rural and agricultural community into a bustling hub of residential and commercial development due in large part to its strategic location on and connections to the railway.

Today, Cloverdale, which is home to the Surrey Museum & Archives, unique heritage buildings, and a quaint "Main Street," retains much of its historic ambiance. Cloverdale's small town charm has made it a sought after location for filming. Cloverdale provides a focus for the celebration of Surrey's agricultural heritage as well. Each year, the Cloverdale Fairgrounds plays host to the Cloverdale Rodeo and Exhibition, one of the largest rodeos in Canada.

In addition to Cloverdale's historic neighbourhoods, the community is experiencing residential growth in neighborhoods such as Clayton and West Cloverdale providing a generous portion of the growth in the City of Surrey.

Cloverdale Fairgrounds: The Cloverdale Fairgrounds (the "**Fairgrounds**") includes an area of approximately 138 acres of land. The Fairgrounds site is well situated from a transportation perspective as it is bounded by and accessible from three major roads: Highway 15 to the west, 64<sup>th</sup> Avenue to the north and 60<sup>th</sup> Avenue to the south. 180 Street to the east is not accessible from the Fairgrounds due to existing land uses (school and park land) and topographical constraints. Highway 10, a major east-west route through the Fraser Valley, is located one half mile to the south. Highway 15 on its easterly boundary connects with Highway No. 1 (Trans-Canada Highway) to the north.

Existing facilities on the Fairgrounds include the Millennium Amphitheatre (the "**Amphitheatre**"), Shannon Hall, Alice McKay Building (Products Building), Agriplex, Show Barn, First Aid/Washroom Building, Stetson Bowl, Coverall Building and Fairground Works Yard Building and shops. The Lower Fraser Valley Exhibition Association currently operates the facilities and buildings on the Fairgrounds under an agreement with the City.

In addition, the Fairgrounds also contains facilities run by the City or others including the 60,000 square foot Cloverdale Recreation Centre, the Cloverdale Arena (1972) and the Cloverdale Curling Club (1980). The Fraser Downs Racetrack and Elements Casino is located on the south easterly portion of the Fairgrounds under a lease agreement with the City. This venue offers gaming and harness racing. Greenaway Park is adjacent to the Fairgrounds at its south-east corner, and contains an outdoor pool and playground. The north-east corner of the site is undeveloped park land set aside for future development as a neighbourhood park.

### 3. PROJECT GOAL

The goal of the project is divided into phases. Phase 1: Master planning exercise to update the Cloverdale Fairgrounds Master Plan (2007) including public consultation. Phase 2: to develop programming and concept documents together with early cost estimates to confirm the Capital Project budget. Phase 3: to complete the design and documentation required for the solicitation of construction management and construction contract tender package(s) on an approved site. The City intends to hire both a Project Management consultant to lead the design and construction project and a Construction Management firm to provide design-assist services and to develop and coordinate the procurement of construction contracts.

RFP responses should assume more than one phase of tendering. Phase 3 also includes the balance of professional services for construction administration, closeout and warranty.

Schedule milestones are as follows:

<b>Task Description</b>	<b>Date</b>
Close RFP	March 1, 2016
Interviews/Presentations by selected proponents	March 2016
Contract Award	April 2016
Phase 1 – Master planning exercise	Spring 2016
Phase 2 – Concept budget confirmation	Summer 2016

This project team will oversee the work of the consulting team implementing the project. The successful Proponent will assist the City's Civic Facilities Division (Owner) in achieving the following objectives:

### **Master Planning update for the Cloverdale Fairgrounds (Phase 1)**

1. Familiarize itself with the Cloverdale Fairgrounds Concept Plan (June 5, 2007) by Downs/Archibault & Partners, located at this link.
  - a. <http://www.surrey.ca/bylawsandcouncillibrary/June-12-Report-Concept-Plan-8117.pdf>

4. Public open house
5. Review with City staff
6. Review with City officials

### **Programming/Concept Design Phase (Phase 2)**

1. Familiarize itself with the project's background, departmental procedures and site characteristics;
2. Execute a general site survey for the subject properties, to enable concept development for the extent of works (both project sites and offsite servicing);
3. Review City Sustainability Charter and report on general constraints and opportunities related to the project;
4. Attend and record meetings and coordinate with required consultants;
5. Meet with stakeholder groups including City of Surrey Recreation Division, Civic Facilities Division, plus any external stakeholders;
6. Consider a tour of public facilities that would assist in developing ideas from the key stakeholders.
7. Conduct one public consultation meeting (coordinate & hold public open house meeting in consultation with the project team);
8. Prepare a Functional Programming document to summarize an iterative process;
9. Review City Sustainability Charter and report on general constraints and opportunities related to the project;

The Consultant will provide the City with evidence of the required insurance prior to the commencement of this agreement. Such evidence will be in the form of a completed certificate of insurance acceptable to the City. The Consultant will, on request from the City, provide certified copies of all of the Consultant's insurance policies providing coverage relating to the Services, including without limitation any professional liability insurance policies. All required insurance will be endorsed to provide the City with thirty (30) days advance written notice of cancellation or material change restricting coverage. To the extent the City has an insurable interest, the builder's risk policy will have the City as first loss payee. The Consultant will be responsible for deductible amounts under the insurance policies. All of the Consultant's insurance policies will be primary and not require the sharing of any loss by the City or any insurer of the City.

#### **7.5 Consultant Responsibilities**

The Consultant acknowledges that any requirements by the City as to the amount of coverage under any policy of insurance will not constitute a representation by the City that the amount required is adequate and the Consultant acknowledges and agrees that the Consultant is solely responsible for obtaining and maintaining policies of insurance in adequate amounts. The insurance policy coverage limits shall not be construed as relieving the Consultant from responsibility for any amounts which may exceed these limits, for which the Consultant may be legally liable.

#### **7.6 Additional Insurance**

The Consultant shall place and maintain, or cause any of its sub-consultants to place and maintain, such other insurance or amendments to the foregoing policies as the City may reasonably direct.

#### **7.7 Waiver of Subrogation**

The Consultant hereby waives all rights of recourse against the City for loss or damage to the Consultant's property.

### **8. TERMINATION**

#### **8.1 By the City**

The City may at any time and for any reason by written notice to the Consultant terminate this agreement before the completion of all the Services, such notice to be determined by the City at its sole discretion. Upon receipt of such notice, the Consultant will perform no further Services other than the work which is reasonably required to terminate the Services and return the City's property to the City. Despite any other provision of this agreement, if the City terminates this agreement before the completion of all the Services, the City will pay to the Consultant all amounts owing under this agreement for Services provided by the Consultant up to and including the date of termination, plus reasonable termination costs in the amount as determined by the City in its sole discretion. Upon payment of such amounts no other or additional payment will be owed by the City to the Consultant, and, for certainty, no amount will be owing on account of lost profits relating to the portion of the Services not performed or other profit opportunities.

## **8.2 Termination for Cause**

The City may terminate this agreement for cause as follows:

- (a) If the Consultant is adjudged bankrupt, or makes a general assignment for the benefit of creditors because of its insolvency, or if a receiver is appointed because of its insolvency, the City may, without prejudice to any other right or remedy the City may have, terminate this agreement by giving the Consultant or receiver or trustee in bankruptcy written notice; or
- (b) If the Consultant is in breach of any term or condition of this agreement, and such breach is not remedied to the reasonable satisfaction of the City within 5 days after delivery of written notice from the City to the Consultant, then the City may, without prejudice to any other right or remedy the City may have, terminate this agreement by giving the Consultant further written notice.

If the City terminates this agreement as provided by this Section, then the City may:

- (c) enter into contracts, as it in its sole discretion sees fit, with other persons to complete the Services;
- (d) withhold payment of any amount owing to the Consultant under this agreement for the performance of the Services;
- (e) set-off the total cost of completing the Services incurred by the City against any amounts owing to the Consultant under this agreement, and at the completion of the Services pay to the Consultant any balance remaining; and
- (f) if the total cost to complete the Services exceeds the amount owing to the Consultant, charge the Consultant the balance, which amount the Consultant will forthwith pay.

## **8.3 Curing Defaults**

If the Consultant is in default of any of its obligations under this agreement, then the City may without terminating this agreement, upon 5 days written notice to the Consultant, remedy the default and set-off all costs and expenses of such remedy against any amounts owing to the Consultant. Nothing in this agreement will be interpreted or construed to mean that the City has any duty or obligation to remedy any default of the Consultant.

## **9. APPLICABLE LAWS, BUILDING CODES AND BY-LAWS**

### **9.1 Applicable Laws**

This agreement will be governed by and construed in accordance with the laws of the Province of British Columbia. The City and the Consultant accept the jurisdiction of the courts of British Columbia and agree that any action under this agreement be brought in such courts.

## **9.2 Codes and By-Laws**

The Consultant will provide the Services in full compliance with all applicable laws, building codes and regulations.

## **9.3 Interpretation of Codes**

The Consultant will, as a qualified and experienced professional, interpret applicable codes, laws and regulations applicable to the performance of the Services. If an authority having jurisdiction imposes an interpretation which the Consultant could not reasonably have verified or foreseen prior to entering into this agreement, then the City will pay the additional costs, if any, of making alterations so as to conform to the required interpretation.

# **10. CONFIDENTIALITY AND DISCLOSURE OF INFORMATION**

## **10.1 No Disclosure**

# **12. WORKERS' COMPENSATION BOARD AND OCCUPATIONAL HEALTH AND SAFETY**

- 12.5 The Consultant will ensure compliance with and conform to all health and safety laws, by-laws or regulations of the Province of British Columbia, including without limitation the *Workers Compensation Act* and Regulations pursuant thereto.
- 12.6 The City may, on twenty-four (24) hours written notice to the Consultant, install devices or rectify any conditions creating an immediate hazard existing that would be likely to result in injury to any person. However, in no case will the City be responsible for ascertaining or discovering, through inspections or review of the operations of the Consultant or otherwise, any deficiency or immediate hazard.

## **15. JURISDICTION AND COUNCIL NON-APPROPRIATION**
