6. The General Manager, Finance may, subject to the approval of this Council, agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

7. The special assessment shall be paid by ten (10) annual instalments and shall be levied in pursuance of the provisions of Section Two (2) of "Local Improvement Cost Sharing By-law, 1970, No. [3250](#)," as amended from time to time.

11. Any person whose parcel of land is specially assessed may commute for a payment in cash the special rates imposed thereon, by paying the portion of the cost of construction assessed upon such lot, without interest, forthwith after the special assessment roll has been confirmed and authenticated by a Court of Revision.
