### CITY OF SURREY

#### BY-LAW NO. 17688

A by-law to establish the local area service for the sanitary sewer replacement in Bridgeview, the area roughly bounded by South Fraser Perimeter Road, and the CN Rail corridor/Fraser River, 116 Avenue and 132 Street; 123 Street north of 112A Avenue; 126A Street and 128 Street and King George Boulevard and 11300 Block; King George Boulevard and 11100 Block, Scott Road and 128 Street as shown in Appendix I, to authorize the construction of the Bridgeview Vacuum Sewer Replacement System Phase 2 works; to authorize the acquisition of all appliances, equipment, materials, real property, easements and rights-of-way required for the construction of the local area service; to define the boundaries of the local service area; and to impose local service taxes

WHEREAS Council has initiated a local area service subject to petition against to replace the Bridgeview Vacuum Sewer Replacement System Phase 2, the area roughly bounded by South Fraser Perimeter Road, and the CN Rail corridor/Fraser River, 112 Avenue and 132 Street; 123 Street north of 112A Avenue; 126A Street and 128 Street and King George Boulevard and 11300 Block; King George Boulevard and 11100 Block, Scott Road and 128 Street as shown in Appendix I, pursuant to Section 213 of the *Community Charter*, S.B.C. 2003, c. 26;

AND WHEREAS the City Clerk has certified that the petition-against received for the works does not constitute a sufficient petition signed by majority of the owners, representing at least half of the assessed value of the parcels that would be subject to the local service tax;

AND WHEREAS Corporate Report R101: 2012, approved by Council on May 28, 2012, has described the cost apportioning and cost recovery method for this local area service;

NOW THEREFORE, the City Council of the City of Surrey ("the City"), in open meeting assembled, ENACTS AS FOLLOWS:

- This By-law shall be cited for all purposes as "Local Area Service Bridgeview Vacuum Sewer Replacement System Phase 2 [Project # 4711-904] By-law, 2012, No. 17688".
- 2. Bridgeview Vacuum Sewer Replacement System Phase 2 comprising:
  - (a) low pressure sewer mains, lateral connections to each lot, and an individual pump unit system to each lot with an active sewer account in Area A1, A2, A3, A4, A5, A6 and A7 ("Area A"); and

(b) gravity sewers and connection in Area B as shown in Appendix I,

(collectively, the "Works") shall be constructed to service parcels in the local service area.

- 3. A portion of the Works shall consist of a sump on a parcel with a submersible pump unit and controls, and forcemain from the parcel to the property line (the "Pump Connection").
- 4. A portion of the Works shall consist of :
  - (a) an individual forcemain section of sewer from the property line of a parcel to the City forcemain in Area A; or
  - (b) a gravity service connection from building sewer just upstream of the vacuum sewer interface valve chamber to the City gravity sewer in Area B as shown in Appendix I,
    (the "General Leteral")

(the "Sewer Lateral").

- 5. The local service area of the City for the benefit of which the Works are to be constructed, operated and maintained is defined as the area bounded by South Fraser Perimeter Road, and the CN Rail corridor/Fraser River, 112 Avenue and 132 Avenue; 123 Street north of 112A Avenue; 126A Street and 128 Street and King George Boulevard and 11300 Block; King George Boulevard and 1100 Block, Scott Road and 128 Street as shown outlined in dark outline in Appendix I, which is attached to and forms part of this By-law.
- 6. The City's contribution to the project shall be equal to 52.62% of the total costs of the Works (the "City Contribution"). The remaining 47.38% of the total costs of the Works shall be recovered as a local service tax imposed on the parcels within the local service area.
- 7. The local service tax shall be divided into three components as follows:
  - (a) a tax component for system replacement costs which shall be equal to 47.38 % of the total cost of the Works less the amounts in (b) and (c) below (the "System Replacement Component");
  - (b) a tax component which shall be equal to 47.38% of the total cost of the Works attributable to the construction of the Sewer Laterals (the "Sewer Lateral Component"); and
  - (c) a tax component which shall be equal to 47.38% of the total cost of the Works attributable to the construction of the Pump Connections (the "Pump Connection Component").

- 8. The System Replacement Component shall be apportioned among the parcels within the local service area except Area A<sub>3</sub> based on the frontage length of each parcel, as more particularly described in Appendix II, which is attached to and forms part of this By-law.
- 9. The Sewer Lateral Component shall be apportioned among the parcels within the local service area based on the number of lots within the local service area, as more particularly described in Appendix II.
- 10. The Pump Connection Component shall be apportioned among the parcels within the local service area based on the number of parcels with an active sewer account in Area A, as more particularly described in Appendix II.
- Subject to Section 12 of this By-law, the local service tax, including the accrued financing charges, shall be payable in full by the owner of a parcel within the local service area at the time the owner makes a formal application to the City for one of the following in relation to the parcel: (i) connection to the sanitary sewer system; (ii) subdivision; (iii) consolidation; (iv) development permit; (v) development variance permit; (vi) rezoning; (vii) temporary use permit; or (viii) building permit.
- Despite Section 11, the System Replacement Component and Pump ConnectionComponent shall not be payable by any owner where a building permit is issued for a residential lot having an active sewer account for:
  - (a) demolition and replacement of an existing single family residence; or
  - (b) major renovations to an existing single family residence.
- 13. The owner of any parcel with an active sewer account shall, prior to 90 days before the completion of the Works, give written consent to the City to assume ownership of and responsibility for the operation, maintenance, and replacement of the Pump Connection and Sewer Lateral to the parcel. In return, the City will compensate the owner for this responsibility in the sum of \$12,500.
- 14. All remaining parcels in the local service area with an active account that have not provided the written consent described in Section 13 and have not yet been connected to the new sanitary sewer system 60 days prior to completion of the Works will be required to be connected to the new system in order to receive sanitary sewer service to the parcel.
- 15. The General Manager, Engineering, has compiled the report and estimates of the costs relating to the Works as shown in Appendix II.
- 16. The General Manager, Engineering is directed to have the necessary plans and specifications for the Works prepared and to have the Works carried out or to provide the

specifications necessary for the preparation of a contract to construct the Works, or any part thereof.

- 17. The General Manager, Finance & Technology may, subject to the approval of Council, agree with any bank or person for temporary advances of money to meet the cost of the Works pending the completion of the Works.
- 18. The Mayor and City Clerk are authorized to cause a contract for the construction of the Works to be made and entered into with some person or persons, firm or corporation, subject to the approval of Council to be declared by resolution.
- 19. The Works shall be carried out under the supervision and according to the directions of the General Manager, Engineering.
- 20. The General Manager, Finance & Technology upon completion of the Works shall prepare a certified statement setting out the final cost of the Works and submit the statement to Council.
- 21. The General Manager, Engineering shall prepare a revised Appendix II setting out the final cost of the Works and apportionment within the local service area and bring forth to Council the revised schedule as an amendment insertion to this By-law.
- 22. Upon Council's adoption of the revised Appendix II, the General Manager, Finance & Technology shall impose a local service tax on the owners of properties within the local service area as a parcel tax, as shown in Appendix II.
- 23. Upon Council's approval of the revised Appendix II with final costs, the City Clerk is authorized to append it to this By-law and it shall then form part of this By-law, superseding the original Appendix II with estimated costs.
- 24. Any local service taxes unpaid after December 31, 2014, shall incur an annual financing charge calculated at an estimated rate of 5.75% per annum compounded annually for the first 15 years, after which time no additional annual interest charges shall be incurred. The actual interest rate shall be confirmed at the time of the by-law amendment.
- 25. The local service tax as amended under Section 21 shall be the levied in accordance with Sections 6 through 12.

PASSED FIRST READING by Council on the 23<sup>rd</sup> day of July, 2012.

PASSED SECOND READING by Council on the 23<sup>rd</sup> day of July, 2012.

PASSED THIRD READING by Council on the 23<sup>rd</sup> day of July, 2012.

RECONSIDERED AND FINALLY ADOPTED, signed by the Mayor and Clerk, and sealed with the Corporate Seal on the 26<sup>th</sup> day of July, 2012.
