Tenders for Contract M.S. 4703-507 were received on March 5, 2004, with the results as follows:

EVALUATION

All tenders were checked for legal and mathematical errors. Mathematical extension errors were corrected in P. Baratta's and Ponte Bros. tenders. This affected the tender ranking. The corrected prices are indicated in the above table.

The low bidder, Double M Excavating Ltd., has satisfactorily completed similar contracts for the GVRD and has satisfactorily completed several drainage contracts for the City in the past. We, therefore, recommend Double M Excavating Ltd. be awarded the work.

FUNDING

Funding is available within the approved Engineering budget.
