2. That a copy of the information be made available for public inspection at the office of the City Clerk for one year.

## BACKGROUND

Section 329.1 of the Local Government Act requires that Council must have prepared, at least once a year, a separate report with the following information:

2. The total amount of expense payments for each Councillor when representing the City, engaging in City business or attending a meeting, course or convention, and
3. The total amount of any benefits including insurance policies and policies for medical or dental services provided to each Councillor or Councillor's dependants.

Section 329 requires that this report must be considered by Council at a Council meeting open to the public. A copy of the report must be available for public inspection at the City Hall during its regular business hours from the date when it is considered until one year thereafter.
