## EVALUATION

Our consultant reviewed all tenders. Winvan made a minor mathematical error. All submissions included the required 10% bid bond and were signed and sealed on the Tender Form and Summary Sheet of the Schedule of Quantities and Prices.

The low bidder, Imperial Paving Ltd., has provided a Consent of Surety for a Performance Bond and a Labour & Materials Bond, and agreed to complete the work within 100 working days as stipulated in the contract. Imperial Paving Ltd.'s past performance on similar work with the City has been satisfactory.

## FUNDING

Funding for this project is from a number of sources, including Wal-Mart, for the specific road works related to their development, cash in lieu deposits for local road works in the area, TransLink for repaving on 88 Avenue, and City funds for general road, bike path and traffic calming items included in this construction contract.
