

Corporate Report

NO: R134

COUNCIL DATE: June 7, 2004

REGULAR

TO: Mayor & Council DATE: June 2, 2004
FROM: City Clerk FILE: 0360-20 BOV
SUBJECT: Board of Variance Bylaw

RECOMMENDATION

That Council instruct the City Clerk to bring forward "Board of Variance Establishment Bylaw, 2004, No. 15317" for three readings.

DISCUSSION

In March, 2003, the Provincial Government amended the *Local Government Act* to change the manner of appointments to the Board of Variance. As a result, the existing bylaw needs to be amended to reflect the new requirements of the *Local Government Act*. The existing bylaw has been in place since January, 1981, and we have taken this opportunity to draft a new bylaw to incorporate the legislated amendments and to reformat the bylaw to be consistent with our current practice of drafting bylaws.

The bylaw has been reviewed by the Board of Variance members and the Legal Division.

City Clerk
