BACKGROUND

The Mayor's Charity Ball is the City of Surrey's premiere fundraising and networking event of the year organized in cooperation with the Corporate community. This prestigious black tie event offers major profile and visibility for both the City of Surrey and corporate organizations, hosting more than 500 senior level executives from around the Lower Mainland. The setting of this year's event is uniquely chosen at the Campbell Height's Business Park. With the full and eager support of those involved with the park and businesses already in place at that location, community support has been overwhelming.

CONCLUSION

That Council approve the expenditure of \$2,500.00 from the Council initiative fund to purchase a table for Mayor and Council to attend the 2005 Mayor's Charity Ball.
