FROM: General Manager, Engineering FILE: 1704-333, R-05-060

SUBJECT: Partial Acquisition for Fraser Highway Widening

(18375 Fraser Highway)

RECOMMENDATION

That Council authorize the acquisition of a ± 8.826 ft.² road widening acquisition from PID No. 010-901-752 (18375 Fraser Highway) for the upgrading of Fraser Highway.

DISCUSSION

1. Property Location

The subject property has a total area of $\pm 60{,}113$ ft.² (± 1.38 acres) and is improved with a small retail coffee kiosk. The subject site is located at the northwest corner of 184 Street and Fraser Highway in the Clayton neighbourhood.

2. Zoning, Plan Designations and Land Uses

The subject property is zoned C-4 (Local Commercial). There is no Neighbourhood Concept Plan for this area at this time. Therefore, the Highest and Best Use of the property is its existing commercial use.

3. Purpose of Acquisitions

As part of the Fraser Highway upgrading, there is a requirement for a partial acquisition for road widening purposes. In this particular subsection of the project, between 17920 and 19078 Fraser Highway, there are 35 acquisitions. This is the 20th of the 35 acquisitions. Several other acquisitions within this subsection are immediately pending. Within the whole project scope (16800 block to 19600 block) there are approximately 80 acquisitions.

4. Contract of Purchase and Sale

Based on the results of an independent, accredited appraisal, staff have negotiated a settlement with the owner subject to Council approval by September 20, 2005. Completion is to take place upon registration on or before October 31, 2005.

5. Conclusion

The terms of this agreement are considered reasonable. This partial acquisition will facilitate the ultimate road widening for the north side of Fraser Highway, as well as the west side of 184 Street at this location. The Engineering Department is supportive of this settlement, and the Finance Department has confirmed that the funds are available from Road Construction Package No. R14/05.
