EVALUATION

Our consultant reviewed all tenders. B. Cusano made a minor mathematical error; the corrected value is shown above. All submissions included the required 10% bid bond and were signed and sealed on the Tender Form and Summary Sheet of the Schedule of Quantities and Prices.

The low bidder, B&B Contracting Ltd., has provided a Consent of Surety for a Performance Bond and a Labour & Materials Bond, and agreed to complete the work within 200 working days as stipulated in the contract. B&B's past performance on similar work with the City has been satisfactory.

FUNDING

Funding is available within the approved Engineering budget.
