SUBJECT:

Report of 2005 Council Remuneration and Expense Payments

RECOMMENDATION

That Council receive the attached information (Appendices A to N) listing remuneration and expenses for council members throughout the year 2005.

BACKGROUND

Section 168 of the *Community Charter* requires that a report be presented to Council at least once a year, that separately lists for each council member the following information:

- The total amount of remuneration paid to each council member for the discharge of the duties of office including any amount specified as an expense;
- The total amount of expense payments for each council member when representing the City, engaging in City business or attending a meeting, course or convention;
- The total amount of any benefits including insurance policies and policies for medical or dental services provided to each council member or council member's dependants, and
- The details of any municipal contract with council members as reported under Section 107 of the *Community Charter*.

CONCLUSION

The Community Charter requires only that the total amount of remuneration and the total amount of expenses be listed for each council member. The information included in **Appendices A to N** provides additional detail that might otherwise be requested under the Freedom of Information Act.

Vivienne Wilke, CGA General Manager, Finance, Technology & HR
