**SUBJECT:** Land Acquisition for Park Purposes

West Newton No. 10 Highway NCP

(13081 No. 10 Highway)

#### RECOMMENDATION

That Council authorize the acquisition of PID No. 010-006-206 (13081 No. 10 Highway) for park purposes in accordance with the West Newton No. 10 Highway Neighbourhood Concept Plan ("NCP").

#### **DISCUSSION**

#### 1. Property Location

The subject property has a total area of  $\pm 52,708$  ft.<sup>2</sup> ( $\pm 1.21$  acres) and is improved with a single family residence. The subject property is located on the north side of No. 10 Highway, between 128 Street on the west and 132 Street on the east.

## 2. Zoning, Plan Designations, and Land Uses

The subject property is zoned RA (One Acre Residential Zone), and is specifically designated park in the NCP, along with five other adjacent parcels to the immediate west and east.

## 3. Purpose of Acquisition

The West Newton No. 10 Highway Neighbourhood Concept Plan has identified the subject property being necessary as part of the land assembly for a proposed sports field that includes overlapping cricket and soccer fields, parking, washroom facilities, a picnic area, and a playground. Construction will commence when all six adjacent parcels have been acquired.

#### 4. Contract of Purchase and Sale

Based on the results of an independent, accredited appraisal, staff have negotiated a settlement with the owner subject to Council approval by March 28, 2006. Completion is to take place upon registration on or before April 28, 2006.

## 5. Conclusion

This acquisition is required as part of a larger land assembly for a proposed sports field and related facilities.

The terms of this agreement are considered reasonable. There are six adjacent properties identified at this location for park purposes in accordance with the West Newton No. 10 Highway Neighbourhood Concept Plan. This is the sixth of the six acquisitions. Other Corporate Reports representing the third, fourth, and fifth acquisitions within this park site are being forwarded concurrently with this Corporate Report.

The Finance Department has confirmed that the funds for this acquisition have been identified in the Parks Acquisition DCC Reserve.
