Evaluation

Our consultant reviewed all tenders. All the tenders submitted the required 10% bid bond, and signed and sealed the Form of Tender. The Winvan tender contained a minor mathematical error which did not affect the outcome of the tenders.

The low bidder, Winvan Paving Ltd., has provided a “Consent of Surety - Performance Bond and Labour & Materials” and agreed to complete the work within 70 working days as stipulated in the contract.

Winvan Paving Ltd. has no outstanding claims or legal issues with Surrey and has satisfactorily completed many similar contracts for the City in the past. We recommend Winvan Paving Ltd. be awarded this contract.

Funding

Funding for this project is provided within the City’s Transportation and Utilities budgets.
