

Corporate Report

NO: R160

COUNCIL DATE: July 24, 2006

REGULAR COUNCIL

TO: Mayor & Council DATE: July 20, 2006
FROM: General Manager, Engineering FILE: 4806-002/21
SUBJECT: Contract Award for B&B Contracting Ltd. – McLellan Creek Culvert Replacement

RECOMMENDATIONS

The Engineering Department recommends that Council:

1. Award the Contract for the replacement of the McLellan Creek culvert to the low bidder, in the amount of \$381,527.92 including GST; and
2. Set the expenditure authorization for the Contract in the amount of \$425,000.00.

SCOPE OF WORK

The twin culvert replacements at McLellan Creek and 54 Avenue need to be replaced because the existing culverts are deteriorating and are unable to provide capacity for the major flows.

QUOTATION RESULTS

Quotations for the above contract were received on July 12, 2006, with the results as follows:

<i>Contractor</i>	<i>Quotation Amount with GST</i>	<i>Corrected Amount</i>
1. B&B Contracting Ltd.	\$381,527.92	N/A
2. Mission Contractors Ltd.	\$478,466.46	N/A
3. Delta Aggregates Ltd.	\$595,509.02	N/A

EVALUATION

A select group from the City's pre-qualified list of contractors were invited to submit quotations on this work because of the relatively small size of the contract, and urgency of the situation in that these works have to be done in the Fisheries window this summer.

The City's Consultant reviewed the quotations for accuracy and completeness. There were no arithmetic errors.

If awarded, these works will be added into the Servicing Agreement for Surrey's Land Development Project 7806-0138-00 that is currently active, and for which B&B Contracting Ltd. are involved with the on-site servicing works.

B&B Contracting Ltd.'s past performance with the City has been satisfactory, and they have no outstanding legal claims against the City. We, therefore, are recommending that B&B Contracting Ltd. be awarded the work.

FUNDING

Funding is available within the approved drainage budget.
