

Corporate Report

NO: R162

COUNCIL DATE: July 24, 2006

REGULAR COUNCIL

TO: Mayor & Council DATE: July 20, 2006
FROM: General Manager, Engineering FILE: 1204-506/11
SUBJECT: Contract Award M.S. 1204-5060-01 Supply & Delivery of Pump Units for Clayton Pump Station

RECOMMENDATION

The Engineering Department recommends that Council:

1. Award Contract M.S. 1204-506-01 to the low bidder, Smith Cameron Pump Solutions, in the amount of \$355,666.30, including GST.
2. Set expenditure authorization for supply and delivery of pump units for Clayton Pump Station Contract M.S. 1204-506-01 to \$435,000.00; and

SCOPE OF WORK

Contract M.S. 1204-506-01 is for the supply and delivery of pump units for a new Clayton Water Pump Station.

We plan to advertise for tenders to the pump station construction later this year. Our consultant has recommended pre-purchase of the pumps to ensure they are available, and to have the pump dimensions confirmed to avoid any redesign costs.

TENDER RESULTS

Tenders for this contract were received on July 20, 2006, with results as follows:

<i>Contractor</i>	<i>Tender Amount</i>	<i>Optional Items</i>
1. Smith Cameron Pump Solutions	\$355,606.30	\$13,560.00
2. National Process Equipment	\$444,955.20	\$14,167.94

The Engineer's pre-tender estimate was \$344,000.00.

EVALUATION

The tenders were checked for technical requirements, and legal and mathematical errors. Both tenders were found to be acceptable.

Smith Cameron Pump Solutions is a local company supplying Layne Vertiline pumps. They have capacity for any required training, installation commissioning, post commissioning, and emergency services as needed by the City.

The authorized limit includes the tender price, the optional items included in the tender, a pump size change cost, and contingency.

We recommend Smith Cameron Pump Solutions be awarded this contract.

FUNDING

Funding is available within the project budget for this expenditure.
