

Corporate Report

NO: R264

COUNCIL DATE: DECEMBER 18, 2006

REGULAR COUNCIL

TO: Mayor & Council DATE: December 7, 2006

FROM: General Manager, Engineering FILE: 7806-0137

SUBJECT: Road Closure at 158 Street between 24 Avenue and 26 Avenue

RECOMMENDATION

The Engineering Department recommends that Council authorize the sale of two portions of redundant 158 Street containing $\pm 36,914$ ft.² ($\pm 3,429$ m²) located between 24 Avenue and 26 Avenue, under the previously approved terms for this closure, as outlined in the attached Corporate Report R 219.

DISCUSSION

On October 30, 2006, Council authorized (R 219) the Engineering Department to proceed with the sale and closure of two portions of redundant 158 Street containing $\pm 36,914$ ft.² ($\pm 3,429$ m²) located between 24 Avenue and 26 Avenue. Council's approval of the sale of this portion of road is now required to complete the final step in the road closure process prescribed by the new Community Charter.

The Community Charter requires that Council's approval to close and sell roads must be obtained on two separate occasions. The first time is at the beginning of the closure process when Council is requested to authorize the "cancellation of highway" for the portion of road to be closed and consolidated. The second time is at the end of the process when Council's authority is required to formally dispose of the portion of road after all the statutory requirements have been met. In accordance with Section 40 of the Community Charter, the Realty Services Division has met all the necessary requirements to dispose of this redundant portion of road, and it is now in order for Council to authorize this last step in the road closure and sale process.

CONCLUSION

It is recommended that Council approve the disposal of this portion of road as outlined in the attached report.

> Paul Ham, P.Eng. General Manager, Engineering
