

Corporate Report

NO: R074

COUNCIL DATE: May 12, 2008

REGULAR COUNCIL

TO: Mayor & Council DATE: May 7, 2008
FROM: General Manager, Engineering PROJECT FILE: 4803-404/11
SUBJECT: Contract Award - M.S. 4803-404-11, Delta Aggregates Ltd.

RECOMMENDATIONS

The Engineering Department recommends that Council:

1. Award Contract M.S. 4803-404-11 to Delta Aggregates Ltd. in the amount of \$451,366.39, including GST; and
2. Set the expenditure authorization limit for Contract M.S. 4803-404-11 at \$496,503.00 including contingency and GST.

SCOPE OF WORK

Contract M.S. 4803-404-11 involves the moving, placement and compaction of soil in the construction/upgrading of dykes along the Nicomekl River between 168 Street and 184 Street (Phase 1).

TENDER RESULTS

Tenders for Contract M.S. 4803-404-11 were received on April 30, 2008, with the results as follows:

<i>Contractor</i>	<i>Tendered Amount with GST</i>	<i>Corrected Tender Price with GST</i>
1. Delta Aggregates Ltd.	\$451,366.39	No Change
2. Mission Contractors Ltd.	\$500,306.99	No Change
3. Double M Excavating Ltd.	\$589,411.42	\$589,304.16

The Engineer's pre-tender estimate was \$678,851.00 including GST. Since this project involves dyke works, only contractors from the Council-approved pre-qualified list were invited to submit tenders.

EVALUATION

Our consultant reviewed the tenders for accuracy and completeness. Minor adjustments were made for mathematical extension and addition errors; however, these did not affect the outcome of the tender. All submissions included the required 10% bid bond and were signed and sealed on the Tender Form and Summary Sheet of the Schedule of Quantities and Prices.

The low bidder, Delta Aggregates Ltd., has provided a Consent of Surety for a Performance Bond and a Labour & Materials Bond, and agreed to complete the work within 90 working days as stipulated in the contract. Delta's past performance on similar work has been satisfactory and they have no outstanding legal claims against the City.

FUNDING

Funding is available within the approved Engineering budget.

Paul Ham, P.Eng.
General Manager, Engineering
