## EVALUATION

The City's consultant reviewed the tenders for accuracy and completeness. There were adjustments for arithmetic errors, but these did not alter the outcome of the tender. All submissions included the required 10% bid bond, and were signed and sealed on the Tender Form and Summary Sheet of the Schedule of Quantities and Prices.

The low bidder, Double M Excavating Ltd., has submitted a Consent of Surety for a Performance Bond and a Labour & Materials Bond, and agreed to complete the work within 75 working days, as stipulated in the Contract. Double M Excavating Ltd.'s past work performance with the City has been very satisfactory. They have no outstanding legal claims against the City.

It is recommended that Double M Excavating Ltd. be awarded Contract M.S. 1209-004-21.
