SUBJECT: **Acquisition of Property at 17707 - 16 Avenue for Parkland**

RECOMMENDATION

The Engineering Department and the Parks, Recreation and Culture Department recommend that Council approve the purchase of the property at 17707 - 16 Avenue (PID No. 000-678-457) for parkland.

DISCUSSION

1. **Property Location: 17707 - 16 Avenue**

The property at 17707 - 16 Avenue is situated in the Redwood area of South Surrey. This lot has an area of 1.00 acre (0.4 ha) and is improved with an older, single family detached dwelling that will be demolished.

2. **Zoning, Plan Designations, and Land Uses**

The subject property is zoned RA (One Acre Residential) and designated "Rural" in the Official Community Plan. A Neighbourhood Concept Plan has not been prepared for this area.

3. **Purpose of the Acquisition**

The purpose of this acquisition is to provide additional parkland for Redwood Park as envisioned under the Park Acquisition Program for Redwood Park.

The Parks, Recreation and Culture Department has determined that the acquisition of this property is strategic and will assist in ensuring that the City is in a position to provide future parks/recreational amenities in the Redwood and the Grandview Heights areas of South Surrey.

4. **Contract of Purchase and Sale**

A purchase and sale agreement has been negotiated with and accepted by the owner. This agreement is supported by an appraisal completed by an accredited, independent appraiser. The agreement is subject to City Council approval on or before April 5, 2010. Sale completion is to take place upon registration of the transfer documents in the Land Title Office.

5. Sustainability Considerations

Acquiring the subject property supports the broad Sustainability Charter goal of integrating nature into the City's neighbourhoods. In particular, the proposed acquisition of the subject lot supports the following Sustainability Charter Scope actions:

SC6 - Accessible and appropriately located services within the City, including recreation, arts, culture, and customer service locations.

EN13 - Enhancing the Public Realm by the design of parks and natural areas.

6. Funding for Purchase

The Finance Department has confirmed that funds for this acquisition are available in the Park Acquisition DCC Reserve.

CONCLUSION

The terms of this purchase and sale agreement are considered reasonable. This acquisition will assist in positioning the City to provide appropriate park/open space in the Redwood and Grandview Heights areas of South Surrey.
