## REGULAR COUNCIL

TO: **Mayor & Council**

DATE: **August 31, 2011**

FROM: **City Clerk**

FILE: **1970-04**

SUBJECT: **Section 224 Tax Exemption By-law No. 17473 for Permissive Property Tax Exemptions for 2012 for Qualifying Properties**

---

## RECOMMENDATION

The Legislative Services Division recommends that Council:

1. receive this report as information; and
2. authorize the City Clerk to bring forward for the required readings "Section 224 Tax Exemption By-law 2011, No. 17473" that will act to provide tax exemptions for 2012 to qualifying properties as described in this report.

## BACKGROUND

Each year, property tax exemption application forms are sent to organizations that have previously been granted tax exemptions and to any new organizations that has indicated an interest in applying for a property tax exemption.

Applications are subjected to a verification process that may include discussions with the applicant, a tax inquiry, a title search, a building file review, a site visit, a discussion with the local BC Assessment office and contact with funding agencies of the Provincial Government such as BC Housing. Any re-application includes a review of the file related to any previous applications related to the same organization or same property.

The exemptions included in the proposed By-law fall within Section 224 of the *Community Charter, S.B.C. 2003, Chapter 26* as permissive exemptions.

A By-law under Section 224 may only come into force for any year once public notice of the proposed By-law has been given and subject to the By-law being adopted on or before October 31 of the previous year. An affirmative vote of the majority of Council members is required in relation to readings and adoption of the By-law.

Section 227 of the *Community Charter* requires that public notice must:

"identify the property that would be subject to the By-law,

- (a) describe the proposed exemption,
- (b) state the number of years that the exemption may be provided, and
- (c) provide an estimate of the amount of taxes that would be imposed on the property if it were not exempt, for the year in which the proposed By-law is to take effect and the following 2 years."

## DISCUSSION

In 2010, a committee of staff involving representatives from the Finance Division, the Tax Collections, the Planning and Development Department and the Legislative Services Division was formed to undertake a full review of properties that were included in the By-law in prior years and those for which new applications had been received. In 2011, a number of unlicensed homes that provide low-rent shelter were identified as not meeting the criteria for an exemption. Staff contacted a representative in relation to each of these homes to advise them that they would no longer be included in the tax exemption by-law. In total, 6 properties that received exemptions in prior years are not being recommended for tax exemption for 2012. Three (3) others have been advised that they will be recommended for statutory tax exemption. The statutory exemptions override any permissive exemption granted by Council.

Eight (8) new applications were received for tax exemption from homes that provide unlicensed care. None of these is recommended for a permissive exemption for 2012. It is noted that some of these have applied and been denied in previous years.

Applications related to 15 properties that were not included in the 2011 By-law were received by the City, 4 of which have been included in the proposed By-law. In each case, the application has been reviewed and verifications conducted to ensure the properties meet the criteria of legislation and City policy.

Applications were also received related to 14 different Licensed Community Care Facilities that are for profit, but provide an element of publicly funded care (Schedule "C"). The portion of each of these facilities related to publicly funded care as listed in Schedule "C" are recommended for a property tax exemption. The number of publicly funded beds in each such facility may fluctuate annually and therefore the proportion of the property eligible for tax exemption needs to be adjusted accordingly on an annual basis.

The estimated value of the Section 224 tax exemptions as contained in the recommended By-law is as follows:

2012	\$891,505
2013	\$930,883
2014	\$972,019

## **New Applications Recommended for Exemption:**

The following new applications have been included in the recommended By-law:

1. Elizabeth Fry Society of Greater Vancouver Shelter – Schedule A, Item 18  
The Society operates this shelter for abused women and their children and provides on-site counselling, job assistance training, and short term housing free of charge. The address of the property is not included for to protect the safety of the residents of the Shelter. The property has been included in the By-law for Council consideration.
2. Pakistan Canada Association, 12057 – 88 Avenue - Schedule A, Item 33  
This organization provides community services including prayer and religious cultural programs and teachings from this property. It is consistent with City policies, by-laws and regulations and has been included in the Bylaw for Council consideration.
3. PLEA Communtiy Services Society of BC, 12159 Sullivan Street – Schedule A, Item 35  
This property was purchase by PLEA in April 2010 as a community outreach office and provides mentoring and home placements for youth. A portion of the building is rented out. This element of the building has not been included in the Bylaw for tax exemption.
4. Surrey Association for Community Living, #202 - 17687 – 56A Avenue – Schedule A, Item 58  
This office was previously rented out by the Association but the tenants have vacated the space and the Association is now using this additional office space for its own purposes. This additional element of the subject property is now being recommended for tax exemption.

## **Application Changes:**

1. Atira Women's Resource Society, – Schedule A, Item 2  
This property has been designated as Class 3 – Supportive Housing for 2011 and may be eligible for a statutory exemption for 2012; however, the Ministry approves these classifications in November so the Society has made application for a permissive exemption to ensure that an exemption is available for 2012. A staff review of the property indicated that a portion of the property is being used for low-cost, long term housing and does not meet Council Policy for a permissive exemption. The portion of the property providing community support and counselling and licensed daycare is recommended for permissive exemption under the recommended By-law. An exemption map illustrating those areas that are being recommended for tax exemption related to this property is included in the bylaw.
2. Imitating Christ Ministries Society, 12969 Crescent Road – Schedule A, Item 21  
This Society purchased this property from SEED International Mission in 2010. This property has been granted permissive tax exemption in prior years and the use of the property remains the same. The By-law Schedule has been updated to reflect the new ownership of this property.
3. Launching Pad Addiction Rehabilitation Society, 984 – 160 Street - Schedule A, Item 26  
This property has been designated as Class 3 – Supportive Housing for 2011 and may be eligible for a statutory exemption for 2012; however, the Ministry approves these classifications in November so the Society has made application for a permissive

exemption to ensure that an exemption is available for 2012. A review of the use of the property was conducted, and the portion of the property providing community support and counselling is included in the recommended By-law for permissive exemption. A 4,500 square foot area of the building is used for low-cost, long term housing and is not included in the recommended By-law.

4. Luke 15 House Society, 11861 – 99 Avenue - Schedule A, Item 28

This property has been designated as Class 3 – Supportive Housing for 2011 and may be eligible for a statutory exemption for 2012; however, the Ministry approves these classifications in November so the Society has made application for a permissive exemption to ensure that an exemption is available for 2012. A review of the use of the property was conducted and the portion of the property providing community support and counselling included in the recommended By-law for permissive exemption. A 2,700 square foot area of the building is used for low-cost, long term housing and is not included in the By-law.

5. Phoenix Drug & Alcohol Recovery, 13686 – 94A Avenue - Schedule A, Item 34

This property has been designated as Class 3 – Supportive Housing for 2011 and may be eligible for a statutory exemption for 2012; however, the Ministry approves these classifications in November so the Society has made application for a permissive exemption to ensure that an exemption is available for 2012. A review of the use of the property was conducted and the portion of the property providing community support, counselling and licensed transition housing is included in the recommended By-law for permissive exemption. A 15,287 square foot area of the building is used for low-cost, long term housing and is not included in the By-law.

6. PLEA Community Services Society of BC, 16590 – 96 Avenue – Schedule A, Item 36

Based on a staff review, a portion of this property should not have been exempted from taxes in 2010 and 2011; however, the map illustrating the portion of the property that was tax exempt was not included in the By-law and a full tax exemption was granted as a result. The society has been advised that the map related to this property will be reinstated in the By-law for 2012, which will leave part of the property as taxable. The same map was included in the 2009 By-law.

7. Sources Community Resources Society, 1290 – 160 Street, 14718 Winter Crescent, and 1051 King George Boulevard – Schedule A, Items 49, 50, 51

This property has enjoyed property tax exemption in 2011 and years prior. The Society has changed its name from Peach Arch Community Services Society and, as such, the Schedule in the By-law has been updated to reflect the Society's new name. The use of the property remains the same.

8. Fraser Valley Heritage Railway Society, 5554 – 176 Street – Schedule B, Item 2

The Society was previously located at 6330 – 152 Street. The Society is moving in the coming year to the referenced property in Cloverdale. The Schedule in the recommended By-law has been updated to reference this new location.

9. City of Surrey, 6287 – 128 Street  
The City has vacated this site at the Newton Reservoir and the site is being removed from the schedule for 2012. The City was required to apply for an exemption on this property as the land was leased from the Province so was not automatically exempted by BC Assessment.
10. Greek Orthodox Community of Surrey and Fraser Valley, 13181 – 96 Avenue  
BC Assessment recently conducted a site visit and advised the City that this church will now be partially statutorily exempt. On this basis for 2012 this property is being removed from this By-law and being included on the Schedule for the bylaw related to Section 220/224 of the Community Charter.
11. Czorny Alzheimer Centre Society, 16850 – 66 Avenue  
BC Assessment advises that this building has been designated under Part 1 of the *Hospital Act* and that the surrounding lands have been designated for 'future hospital purposes' and therefore the entire building and lands are statutorily exempt. On this basis, the property has been removed from the Schedule of the recommended By-law for 2012.
12. Surrey Association for Community Living, 5719 – 136 Street  
This property has been sold by the society and on this basis has been removed from the Schedule of the recommended By-law for 2012.
13. Surrey Association for Community Living, 17781 Barnston Drive East  
This property has been sold by the society and on this basis has been removed from the Schedule of the recommended By-law for 2012.
14. Shree Sanatan Dharam Sabha (Fiji) of BC, #12, 8473 – 124 Street  
BC Assessment conducted a review of this property and has advised that it will be partially statutorily exempt in 2012. On this basis for 2012 this property is being removed from this By-law and being included on the Schedule related to the Section 220/224 By-law.
15. Newton Regency Care Home, 13855 – 68 Avenue  
Currently, there are no publicly funded complex care beds in this facility and, as such, it has been removed from the Schedule for the recommended By-law for 2012.
16. Sullivan Community Hall, 6036 – 152 Street  
This property is now designated as a heritage property under By-law No. 17275. It is a community hall, accessible to the public and is operated by the Sullivan Amateur Athletic & Community Association. This property has been moved for 2012 to the Schedule listing tax exempt properties attached to the Section 225 By-law.
17. Ocean Park Community Association, 1577 – 128 Street  
This property is a new heritage property under "Heritage Revitalization Agreement By law, 2011, No. 17404", adopted by Council on May 30, 2011. This property has been moved for 2012 to Schedule listing tax exempt properties attached to the Section 225 By-law.
18. Tynehead Community Association, 9568 – 168 Street  
This property is designated a heritage property under "Surrey Municipal Heritage Site Designation By-law, 1993, No. 11809" adopted by Council on May 25, 1993. This property has been moved for 2012 to the Schedule listing tax exempt properties attached to the Section 225 By-law.

## Applications Not Recommended for Property Tax Exemption:

1. Elim Housing Society, 9080 – 159 Street  
This is an assisted living care facility. It is not licensed under the *Community Care and Assisted Living Act* and therefore does not meet the City's criteria for permissive tax exemption. There is a 'sister' property located at 9055 – 160 Street that provides licensed, complex, publicly-funded care that is included for property tax exemption in the proposed By-law.
2. The Semiahmoo House Society, 5919 – 133A Street, 14278 – 20 Avenue, 2359 & 2365 – 153A Avenue  
These properties are funded by the Provincial and Federal governments and provide low-rent shelter and support for individuals with developmental disabilities. These properties are not licensed under the *Community Care and Assisted Living Act* and therefore, do not meet the City's criteria for permissive property tax exemption. Other properties owned and operated by the Society that are licensed under the Act are being recommended for property tax exemption.
3. Options Community Services Society, 13690 – 111A Avenue  
This property is a low-rent shelter for individuals with developmental disabilities. The location is not licensed under the *Community Care and Assisted Living Act* and therefore, does not meet the City's criteria for permissive tax exemption.
4. Surrey Association for Community Living, 16605 – 59A Avenue, 5924 – 169 Street  
These properties are funded by the Province and provide low-rent shelter and support for individuals with developmental disabilities. The buildings are not licensed under the *Community Care and Assisted Living Act* and therefore, do not meet the City's criteria for permissive tax exemption. Other properties owned and operated by the same Society which are licensed under the Act are recommended for permissive tax exemption.
5. Community Living Society, 13048 – 97 Avenue, 6545 – 133 Street, 6632 – 133 Street, 17070 - 94A Avenue  
These properties are funded by the Province and provide low-rent shelter and support for individuals with developmental disabilities. The locations are not licensed under the *Community Care and Assisted Living Act* and therefore, do not meet the City's criteria for permissive tax exemption. Other properties owned and operated by the Society that are licensed under the Act are being recommended for permissive tax exemption.

## CONCLUSION

The proposed Section 224 Tax Exemption By-law includes 179 properties and strata units for full property tax exemption and another 28 properties for partial exemption. There are 4 new properties included in the By-law in comparison to the By-law that was adopted by Council for the 2011 taxation year. All applications have been checked and verified to ensure they comply with the requirements of legislation and City policy.

For the properties listed in the Schedules to receive a tax exemption in 2012, Council must pass the required By-law before October 31, 2011.

Based on the above discussion, it is recommended that Council authorize the City Clerk to bring forward for the required readings "Section 224 Tax Exemption By-law 2011, No. 17473" that will act to provide tax exemptions for 2012 to qualifying properties as described in this report. A report related to By-law No. 17473 will be included for consideration by Council on the same agenda as this report.
