EVALUATION

The City's consultant reviewed the tender submissions for accuracy and completeness. No errors were found. All submissions included the required 10% bid bond, and were signed and sealed on the Tender Form and Summary Sheet of the Schedule of Quantities and Prices.

The low bidder, Grandview Blacktop Ltd, has provided a Consent of Surety for a Performance Bond and a Labour & Materials Bond, and agreed to complete the work within 125 working days, as stipulated in the contract. Grandview Blacktop Ltd's past performance on similar work has been satisfactory. They have no outstanding legal claims against the City. It is recommended that Grandview Blacktop Ltd be awarded Contract M.S. 1714-003-11.

SUSTAINABILITY CONSIDERATIONS

The work associated with this contract will assist in achieving the objectives of the City's Sustainability Charter related to safely and efficiently moving people and goods, not just vehicles, and promoting active living. The project will also act to enhance the public realm by implementing street standards that minimize the negative impacts of transportation facilities on communities while providing appropriate infrastructure in support of the City's transportation needs. More particularly, the project supports the following Sustainability Charter scope action items:

- SC 13: Creating a Fully Accessible City; and
- EN 13: Enhancing the Public Realm.

FUNDING

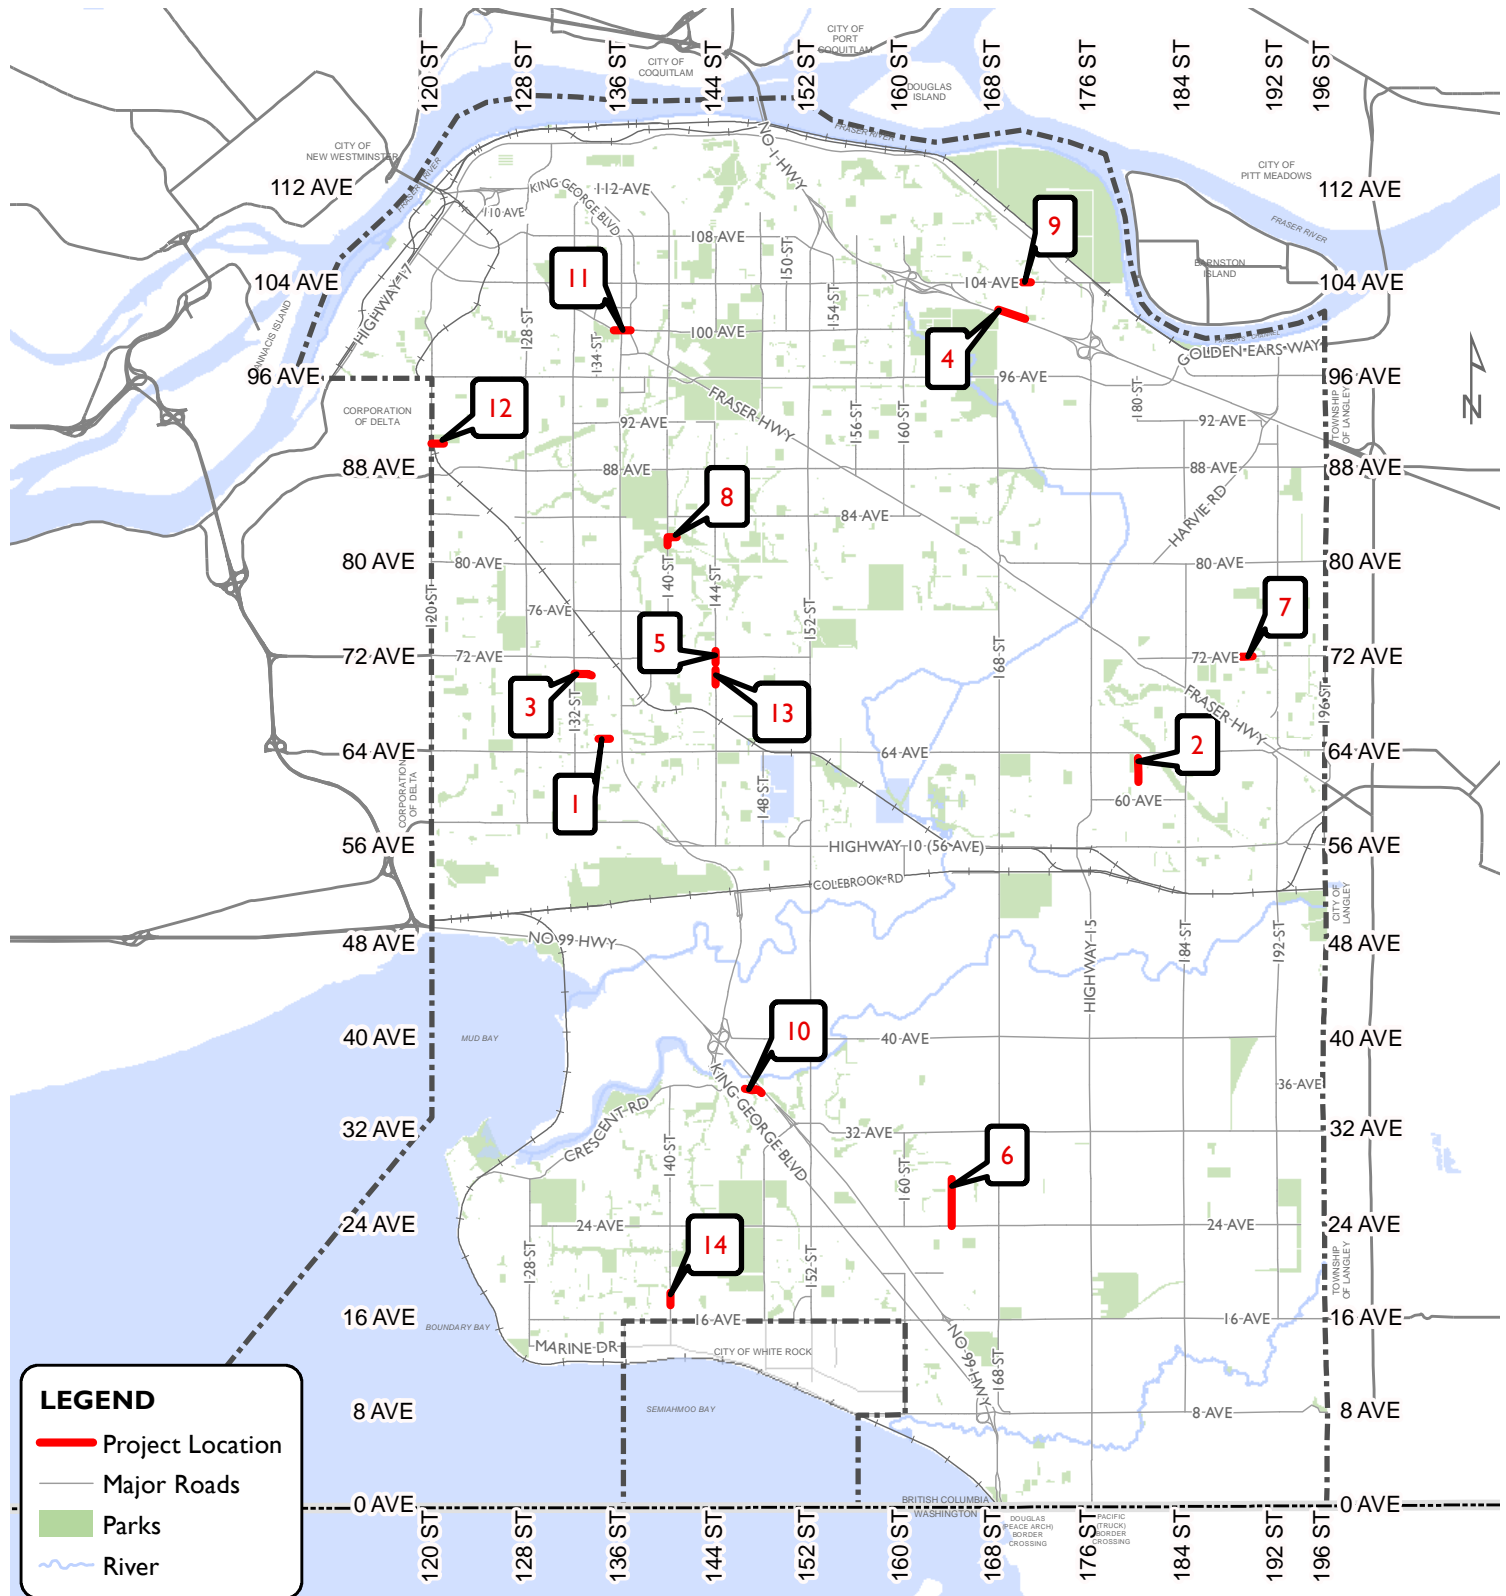

Funding for this contract is available in the approved 2014 Transportation Budget.
