TENDER RESULTS

Tenders for the subject contract were opened on June 26, 2014 with the following results:

	Contractor	Tendered Amount with GST	Corrected Amount
1.	Winvan Paving Ltd.	\$523,137.45	\$523,084.95
2.	Jack Cewe Ltd.	\$564,480.00	No Change
3.	Imperial Paving Limited	\$616,404.08	No Change
4.	Lafarge Canada Inc.	\$663,075.00	No Change
	c.o.b. as Columbia Bitulithic		_
5.	Targa Contracting (2013) Ltd.	\$675,162.60	\$676,002.60

The Engineer's pre-tender estimate was \$400,000.00, including GST. A post tender closure review of the Engineer's estimate shows that the number of locations, (24 spread throughout the City), and the relative small quantities of work at each location has lead to higher than normal unit rates.

EVALUATION

The City's consultant reviewed the tender submissions for accuracy and completeness. Two of the tenders contained minor arithmetic errors that had no bearing on the outcome of the tender process. All submissions included the required 10% bid bond, and were signed and sealed on the Tender Form and Summary Sheet of the Schedule of Quantities and Prices.

The low bidder, Winvan Paving Ltd., has provided a Consent of Surety for a Performance Bond and a Labour & Materials Bond, and agreed to complete the work within 40 working days as stipulated in the contract. Winvan Paving Ltd.'s past performance on similar work has been satisfactory. They have no outstanding legal claims against the City. It is recommended that Winvan Paving Ltd. be awarded Contract M.S. 1714-011-11.

SUSTAINABILITY CONSIDERATIONS

The work associated with this contract will assist in achieving the objectives of the City's Sustainability Charter related to safely and efficiently moving people and goods, not just vehicles, within the City and promoting active living. The project will also act to enhance the public realm by implementing street standards that minimize the negative impacts of transportation facilities on communities while providing appropriate infrastructure in support of the City's transportation needs. In particular, the project supports the following Sustainability Charter action items:

- SC 13: Creating a Fully Accessible City; and
- EN 13: Enhancing the Public Realm.

FUNDING

\$200,000 of the funding to cover the cost of this contract is being provided by Coast Mountain Bus Co. The remainder is being funded by the City under the approved 2014 Budget.
