SUBJECT: Sport Tourism Grant Program

RECOMMENDATION

The Parks, Recreation and Culture Department and the Finance and Technology Department recommend that Council approve a Sport Tourism Grant Program as generally described in this report.

INTENT

The purpose of this report is to seek endorsement of a Sport Tourism Grant Program that will be utilized to evaluate requests from community groups for financial support for sport tourism events. The proposed Program is attached as **Appendix I**.

BACKGROUND

Council adopted a Sport Tourism Strategy in 2013. The Strategy was developed to advance Surrey as a leader in the Sport Tourism industry and thereby maximize both economic benefits and sport development opportunities for the residents and businesses in Surrey. The Sport Tourism Strategy is attached as **Appendix II**.

In partnership with Tourism Surrey, the City established the brand “Sport Surrey – Ahead of the Game” to advance the City’s Sport Tourism Strategy. Events are considered “Sport Tourism” when participants and spectators are travelling more than 80kms to an event and are staying overnight. By having groups travel and stay in Surrey, numerous economic benefits are experienced by local business which assists in supporting the tax base within the City. In 2013, there were 16,756 room nights booked in Surrey that were directly attributed to sporting events hosted in the City.

A specific example of the economic benefits of hosting an event can be demonstrated by the CCAA Women’s Soccer National Champions hosted by Kwantlen Polytechnic University (KPU) in 2013. Sport Surrey in partnership with Destination British Columbia and the Canadian Sport Tourism alliance conducted an economic evaluation of the event. The report indicated that the event generated \$219,048 in Federal, Provincial and Municipal taxes and \$962,874 in industry output.

The Council Initiatives Fund has been used to support various sport hosting initiatives. Since 2009, a total of \$162,240 has been provided to various groups for Sport Tourism related events from Council Initiatives. Each event has been brought forward for Council consideration; funds awarded have ranged from \$1,000 to \$32,500 for single events. There has been a range of 3-6 events brought forward to Council each year. As the pressure on Council Initiative Funds has increased and the City continues to advance the Sport Tourism Strategy, staff is recommending a more formalized process be adopted to evaluate and manage requests.

DISCUSSION

The most common request from community groups is for facility rental costs for their tournaments. Staff recommends that each event be evaluated and provided a percentage of their facility rental costs or requests, based on the “Guidelines for Grant Priorities” outlined in the Program attached as **Appendix I**. The Guidelines include evaluation of the magnitude of the event, number of room nights generated, level of play in tournament, advancement of Surrey’s profile, how residents will be impacted and the history of the organizations administration and management.

The Program includes the following guidelines based on the level of the event.

	% of Rental fee or Request	Maximum amount
Provincial	25%	\$3,000
Western Canada	50%	\$4,000
National	100%	\$5,000
International	100%	\$5,000

Major National and International events with a significant bid/funding commitment and economic impact, will be presented to Council for consideration through the annual operating budget. These bids are often submitted years in advance allowing for the opportunity to request financial commitment through the City’s annual budgeting process (. i.e. BC Summer Games, 55+ Games, Swim Canada Nationals, 2016 International Softball Federation Women World Softball Championships, etc.)

Once the Program has been approved, staff will develop an application form and evaluation report to be used to collect appropriate information for each event.

FUNDING

Staff recommends that the funding of the Sport Tourism Grants be established as part of the annual budget process. In the 2016 budget process, staff recommends that Council consider establishing a \$50,000 Sport Hosting Grant Fund.

For the remainder of 2015, requests will continue to be brought forward to the Finance Committee requesting funding support from Council Initiatives.

SUSTAINABILITY CONSIDERATIONS

The recommendations of this report are consistent with the objectives of the City's Sustainability Charter; more particularly, the following action items of the Charter:

- EC2: The City will support and encourage community economic development;
- SC12: The City will encourage and facilitate volunteerism and participation in community activities.

CONCLUSION

Based on the above discussion, it is recommended that Council approve the Sport Tourism Grant Program that will be utilized to evaluate requests from community groups for sport hosting grants as generally described in this report.

Appendix I – Sport Tourism Grant Program
Appendix II - Sport Tourism Strategy

PROGRAM FOR SPORT TOURISM GRANT

1. Funding will be considered to support Sport Tourism events being held in the City of Surrey. Events must take place within City of Surrey with participants staying in local accommodation.
2. Grants are intended to offset the cost of Facility rentals for the purposes of the Sport Tourism event. Grants will not be provided to cover deficits or on-going operating costs. Funds will be Events/tournaments will be funded within the following guidelines.

	% of Rental fee or Request	Maximum amount
Provincial	25%	\$3,000
Western Canada	50%	\$4,000
National	100%	\$5,000
International	100%	\$5,000

Where a grant is awarded, 80% of the grant amount will be forwarded to the applicant once Council has approved the grant. The remaining 20% will be forwarded to the applicant upon receipt by the City of a final report from the applicant that demonstrates that the initiative for which the grant was awarded has been fully and properly completed.

Major National and International events with a significant bid/funding commitment and economic impact will be presented to Council for consideration through the annual operating budget, i.e., BC Summer Games, 55+ Games, Swim Canada Nationals etc.

3. Requests for grants will be considered two times per year, in January and June. The completed application must be submitted no later than January 31 or June 30th. Requests received in between these times may be considered for funding if the requirement for the grant was not reasonably foreseeable prior to January 31 or June 30th and the requirement for funding is critical to the implementation of the organization's event.
4. Criteria for Grant Eligibility:
 - (a) The Sporting Event must be sanctioned by the governing body of the sport;
 - (b) Sport Event must be at the provincial, western Canadian, national or international level;
 - (c) Event must be within the City of Surrey and be sponsored by local organizations, or having direct local economic impact, e.g., Surrey room night counts;
 - (d) Completed application form including budget information;
 - (e) More favorable consideration may be given to sport events that are outside main tourism season and are held mid- week. Events for one day will be considered, however, events taking place over two or more consecutive days will be given higher priority;
 - (f) Request must be made in advance of the event (no retro-active requests);

- (g) The organization shall show evidence that it has fully explored all other viable sources of financial support;
- (h) The organization must submit an evaluation of the use of the grant within 30 days of event completion, this will initiate the final payment of the grants funds;
- (i) The organization must not view the grant as an automatic ongoing source of funding.

GUIDELINES FOR GRANT PRIORITIES

The following factors will be used to determine priorities for allocating grants to eligible applicants:

1. The magnitude of event: how many days, number of room nights, what age group, type of sport, number of out of town visitors, cost of facility rental, level of competition etc.
2. Does the event advance Surrey's profile as a Sport Hosting City or diversify the hosting portfolio?
 - What is the level of the event?
 - Has the event been held before?
 - Are the similar events happening this year?
 - Does the event showcase existing City of Surrey facilities?
 - Is there media exposure?
3. How will Surrey residents be impacted by the hosting of this event?
 - Is there community support?
 - How much facility use/schedule disruption?
 - Are there spectator opportunities for Surrey residents?
 - Are there volunteer opportunities for Surrey residents?
4. The quality and history of the organization's administration and management:
 - Is the organization well-known to Surrey residents for their service?
 - What are the overall financial conditions of the event?
 - Will the lack of City funding result in the cancellation of the event?
 - Have all other funding options been investigated?
5. The appropriateness, effectiveness, and quality of delivery of the event:
 - How well will it be organized?
 - Will there be coordination with other organizations, which might be interested or affected?
 - Has the organization previously demonstrated success with a similar undertaking?

PROCEDURE FOR PROCESSING GRANT REQUESTS

1. Applicants must submit a grant application to the Manager of Support Services on the prescribed form, not later than 4:30 p.m., January 31st or June 30th in order to be considered for funding.
2. A Sport Tourism Grant Committee, consisting of a staff representative from Finance, Parks Recreation and Culture, Economic Development and Sport Surrey, will review all grant applications to ensure completeness and to ensure grant eligibility as specified by the program.
3. The Sport Tourism Grant Committee will (after consultation as they deem necessary with the grant applicants) submit to the Finance Committee of Council, a list of all grant applications along with recommended grant amounts.
4. The Finance Committee of Council will review the recommendations of the Sport Tourism Grant Committee, and may request additional information or request to hear delegations. The Finance Committee will then submit a list of recommended grant amounts to Council for their review and for the necessary approval. The approved grants shall be subject to final confirmation by Council after all appeals have been dealt with.
5. The Manager of Support Services shall notify all applicants, of Council's initial decision, and shall advise them of the Appeal Procedure. Applicants shall be advised that grant amounts are subject to final confirmation by Council after all appeals have been dealt with.
6. The Sport Tourism Grant Committee shall be responsible for ensuring that all organizations that are approved for a grant, submit an evaluation report on the use of the grant funds prior to remaining 20% of funds being released.

PROCEDURE FOR GRANT APPEALS

Appeals of Council's decisions will be considered only in instances where additional grant funds are required to prevent unforeseen circumstances which could result in employee lay-offs or threaten the financial well-being or implementation of the organization's event, or where significant new information will be presented which was not available during the grants review process.

Organizations must notify the Manager of Support Services in writing, within 14 days from the date that the grant notifications were mailed, that they wish to appeal Council's decision. The grant applicants must give a clear explanation of why they feel they qualify for an appeal. The appeal request will be presented to Council for a decision on whether the appeal will be considered, and the applicant shall be notified accordingly.

If the appeal is not successful, that organization may not reapply for funding of the same service in the same funding year.

PROCEDURE FOR PROCESSING LATE GRANT APPLICATIONS

Grant applications received between the two intakes (January and June) will be referred to the Sport Tourism Grant Committee for the following action:

- (a) If the requirement for grant funds was not reasonably foreseeable prior to January 31st or June 30th, and if the requirement for immediate funding is critical to the implementation of the organization's event, then the Sport Tourism Grant Committee may refer the application to Council along with a recommended grant amount.
- (b) If the Sport Tourism Grant Committee believes that the grant application does not qualify for consideration, then the Committee shall advise the grant applicant in writing that they do not qualify for consideration, but that they may reapply by January 31st or June 30th the following year. The applicant shall be advised that they may appeal this action of the Committee by requesting the Manager of Support Services in writing to refer their application directly to Council, and by explaining why they should receive special late consideration for a grant. The appeal will be forwarded to Council for consideration, along with a recommendation from the Sport Tourism Grant Committee.

PROCEDURE FOR SETTING A GLOBAL GRANTS BUDGET

Prior to September 30th of each year, the Sport Tourism Grant Committee shall review the present year's budget, consult with larger ongoing grant recipients as necessary, and then submit a recommended global grants budget to the City Manager. The City Manager shall review the recommendation, and include a Global Grants Budget amount in the preparation of the Annual Financial Plan.

Message from the Mayor

Sport Tourism is one of the fastest growing segments of Canada's tourism industry which provides both social and economic benefits. The City of Surrey has hosted numerous local and international events and tournaments, and is committed to enhancing the sport opportunities available in our city.

Through the Build Surrey Program we are continuing to build new world-class recreation facilities and sporting fields to help position Surrey as a leader in sport hosting and a preferred destination for local and international events.

Sincerely,
Dianne L. Watts, Mayor

Councillor
Linda Hepner

Message from the Chair

Through the Surrey Sport Tourism Strategy we will work with our partners in the industry and engage our youth to ensure we continue to attract significant sporting events to Surrey.

We will create innovative initiatives and build new facilities which will attract additional events and contribute to the overall development of sport and physical fitness in our city.

Sincerely,
Councillor Linda Hepner
Chair of the Parks, Recreation & Sport Tourism Committee

The Surrey Sport Tourism strategy has been developed to advance the City of Surrey as a leader in the Sport Tourism industry, maximizing both economic benefits and sport development opportunities.

The Strategy will establish Surrey as a premier sport tourism destination in the Pacific Northwest and Canada while balancing community needs with sport tourism development.

The strategy will be implemented by:

- Working closely with our community partners to be an advocate for the development of sport hosting in the City of Surrey.
- Actively seeking out bid opportunities to host provincial, national and international sporting events.
- Focussing hosting opportunities on the unique physical and geographical assets in Surrey, taking full advantage of our existing assets.
- Supporting event organizers from bid stage to planning stage of their event through Sport Surrey, and provide exceptional customer service to participants, spectators and the sport tourism community.
- Advocating for bigger and better sport facilities benefiting both residents and sport tourism.
- Implementing the Build Surrey Program to deliver sport facilities that provide more hosting opportunities.
- Reinvesting a significant portion of funds generated by sport tourism to support sport development.
- Establishing strong relationships and support local sport organizations, particularly youth sport.
- Tracking and evaluating the results of hosting major sport tourism events.

CITY OF SURREY - SPORT TOURISM STRATEGY 2014-2018

Sport Surrey has been jointly developed by the City of Surrey and Tourism Surrey to be a central resource to assist in advancing bid submissions and to support tournament organizers to ensure a successful event.

Some examples of high calibre sporting events that have been hosted in Surrey include:

- 2012 BC Summer Games
- 2012 Surrey International World Music Marathon
- Canadian Open Fastpitch International Tournament
- Canadian Open Water Polo Tournament
- Canada Cup International Field Hockey Tournaments
- Hargobind International Wrestling Championships
- Canada Cup International Fastpitch Tournaments
