## EVALUATION

The City's consultant reviewed the tender submissions for accuracy and completeness. There were two arithmetic errors that had no bearing on the outcome of the tender process. All submissions included the required 10% bid bond, and were signed and sealed on the Tender Form and Summary Sheet of the Schedule of Quantities and Prices.

The low bidder, A.C. Paving Company Ltd., has provided a Consent of Surety for Performance Bond, Labour & Material Bond, WorkSafeBC Letter and agreed to complete the work within 110 working days, as stipulated in the contract. A post tender reference check was completed on A.C. Paving for past work completed, and the references indicate their work has been satisfactory for similar work. In addition, A.C. Paving Company Ltd. attended an interview with Surrey to specifically review their experience, staffing and available resources in order to complete a project of this size. A.C. Paving Company Ltd. provided their full commitment of all available resources in order to achieve the tight timeline necessary to complete this contract. They have no outstanding legal claims against the City. It is recommended that A.C. Paving Company Ltd. be awarded Contract M.S. 1715-004-11.

## SUSTAINABILITY CONSIDERATIONS
