SUBJECT: **Community Enhancement Partnership (CEP) Program - Grant Application Process Update**

RECOMMENDATION

The Parks, Recreation & Culture Department and the Finance & Technology Department recommend that Council approve the following recommendations:

1. Authorize the General Manager, Finance and Technology and the General Manager of Parks, Recreation and Culture to approve CEP grants up to \$2,000 in accordance with criteria set out in **Appendix I** of this report; and
2. Direct staff to report to Council regarding the grants up to \$2,000 as part of the Quarterly Financial Report.

BACKGROUND

In January 2010 Council adopted the Community Enhancement Partnership (CEP) Program, which is intended to provide financial support for projects focussed on community engagement and neighbourhood beautification. Under the CEP Program, residents and community groups may apply to the City for a grant under either of two separate categories:

- **Small Project Grants** - to support in planning, organizing and implementing projects intended to directly improve the physical aesthetic appeal of a neighbourhood; or
- **Partnership Grants** - to support projects that build community relationships through celebration and activity.

The following report describes a proposed streamlining process for approving grants up to \$2,000. Currently, Council approval is required for all grant amounts under this program.

DISCUSSION

A streamlined approval process is proposed for CEP grant requests up to \$2,000 to enable the grants to be more efficiently administered by staff. Rather than drafting Corporate Reports for grants under \$2,000, the Staff Grant Review Committee would review and if supported, the grant

request would be forwarded to the General Manager, Finance and Technology and General Manager of Parks, Recreation and Culture for final approval. An approval letter could then be sent to grant applicants from the General Manager of Finance and Technology and General Manager of Parks, Recreation and Culture on behalf of Council.

A report would be provided to Council with an update of grants awarded for amounts up to \$2,000 as part of the Quarterly Financial Report to Council. Regular Corporate Reports would still be provided to Council for approval for amounts over \$2,000.

SUSTAINABILITY CONSIDERATIONS

The CEP Program supports the goals of the City's Sustainability Charter by encouraging social connections, volunteerism, community ownership and citizen engagement, in accordance with the Sustainability Charter Goals SC 6, 7, 8 and 13.

CONCLUSION

Based on the above discussion, it is recommended that Council:

1. Authorize the General Manager, Finance and Technology and General Manager of Parks, Recreation and Culture to approve CEP grants up to \$2,000 in accordance with criteria set out in **Appendix I** of this report; and
2. Direct staff to report to Council regarding the grants up to \$2,000 as part of the Quarterly Financial Report

CEP Program Overview and Guidelines

Community Enhancement Partnership Program (CEPP) Program Overview and Guidelines

The Community Enhancement Partnership Program (CEPP) is an initiative of Council to encourage neighbourhood projects and activities that beautify our streets and public spaces.

Through the Program, residents, groups and businesses can apply to the City for a grant to plan, organize and implement small beautification projects, activities and celebrations. Successful applicants match their requested grant amount with contributions of volunteer labour and services, donated materials, and/or cash. The Program is a partnership in which the applicant and the City contribute equally towards the applicants proposed project.

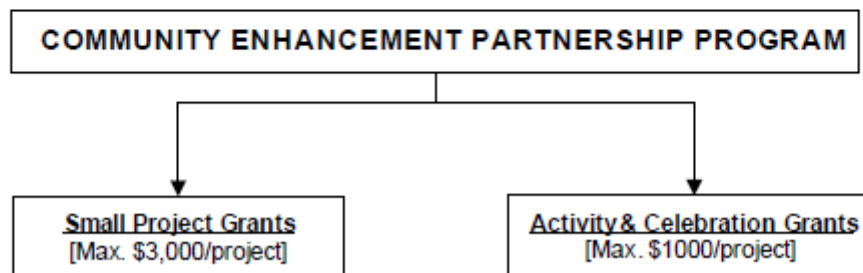

FUNDING CRITERIA & ELIGIBILITY

Grants are available to all Surrey residents, students, community groups, organizations or associations. Small businesses will also be considered for street or landscaping beautification projects. All applications must encourage neighbourhood participation without discrimination. Projects must be undertaken within the geographic boundaries of Surrey. All applicants must demonstrate their project or activity will:

- focus on “beautifying and celebrating Surrey”;
- generate a public benefit in an inclusive and cooperative manner;
- involve members of the community in the project;
- commit to overseeing the project and any resulting maintenance;
- have broad neighbourhood support; and
- fall within one of the Project Grant Types listed below.

PROJECT GRANT TYPES

The Program has two separate grant categories as illustrated below.

i) Small Project Grants

Small project grants have a maximum amount of \$3,000 per project. They are offered to support planning, organizing and implementing projects that physically improve the appearance of the City. As examples, a neighbourhood garden, boulevard landscaping, community pathway, floral tree plantings, decorative lighting display or a neighbourhood entrance feature would fall under this category. Creativity is encouraged.

Projects in this category must be completed within twelve (12) months of a grant being awarded.

ii) Activity & Celebration Grants

Activity and celebration grants have a maximum amount of \$1,000 per project. They are offered to support community activism and celebration. Projects should engage, educate and celebrate community members. As examples, a neighbourhood festival or block party, a street clean-up day, a property owner awards program or a neighbourhood improvement campaign would fall under this category.

Projects that create opportunities to develop neighbourhood organization and promote community leadership, such as citizen engagement workshops or anti-graffiti training seminars, are also encouraged.

Projects in this category must be completed within six (6) months of a grant being awarded.

PROJECT MANAGEMENT & RECOGNITION

For awarded projects, photos must be submitted to the City as a permanent record and for potential posting on the City's website and within local newspapers. All projects under the Program will be eligible for Civic Beautification Awards and/or plaque or site markers.

PLEASE NOTE:

- Awarded projects may be subject to inspection by City staff during project work and upon completion.
- Applicants that have failed to undertake projects, as outlined on submitted applications, may be eliminated from consideration for future grant opportunities.
- Applicants are required to abide by all Municipal, Provincial and Federal laws and regulations.
- The City of Surrey reserves the right to remove any physical installations or improvements on public land at any time.
