

CORPORATE REPORT

NO: R138 COUNCIL DATE: June 26, 2017

REGULAR COUNCIL

TO: Mayor & Council DATE: June 21, 2017

FROM: Acting General Manager, Finance & Technology FILE: 1880-20

SUBJECT: 2016 Statement of Financial Information

RECOMMENDATION

The Finance & Technology Department recommend that Council:

- 1. Receive this report as information; and
- 2. Approve the 2016 Statement of Financial Information that is attached to this report as Appendix "I".

INTENT

The purpose of this report is to fulfil the annual Financial Information Act (the "Act") requirement to report publicly, the Statement of Financial Information.

BACKGROUND

The Financial Information Act was enacted in the fall of 1993 and requires all municipalities to provide the Province with a Statement of Financial Information on an annual basis. The Statement is to include, for the year being reported, the City's audited financial statements along with information regarding the remuneration paid to the Mayor and each Councillor, the name of and the remuneration paid to each employee who received more than \$75,000 from the City, the name of and the amount paid to each supplier of goods and/or services to whom the City paid more than \$25,000, and grants paid by the City for more than \$25,000.

The Act requires that Council approve the Statement of Financial Information prior to its submission to the Province. The Act also requires that the Statement be made available to the public before June 30th of the year following the year to which the information in the Statement applies.

DISCUSSION

The 2016 Statement of Financial Information has been prepared in accordance with the Act and is attached as Appendix "I" to this report. The Statement includes the 2016 audited financial statements, which were adopted by Council on May 8, 2017.

The remuneration and expenses paid to City staff are reported in the Statement under three categories as follows:

- <u>Base Salary</u>: This is the salary that the employee earned in 2016;
- <u>Taxable Benefit and Other</u>: This includes any payout of earned time related to vacations, gratuity payments, pay for performance, lump sum payments, banked overtime, retirement and/or vehicle allowances; and
- <u>Expenses</u>: This includes amounts paid by the City to or for the employee in performing their job function, including annual professional association and membership fees, conferences, training, seminars and travel related to City business.

As part of our ongoing efforts to be an open, transparent and accessible government, staff will post this report to the Financial Documents section of the City's website.

SUSTAINABILITY CONSIDERATIONS

The 2016 Statement of Financial Information is required as part of the Financial Information Act. This reporting supports the objectives of the City's Sustainability Charter, specifically with the following Charter action item:

• Corporate SO8: Work towards corporate financial sustainability, including financial reporting.

CONCLUSION

The Act requires that municipalities provide to the Province, a Statement of Financial Information for each calendar year. This Statement is to be approved by Council before it is forwarded to the Province. The Act stipulates that the Statement is to be made available to the public before June 30th of the year following the year to which the information in the Statement applies. Based on the above discussion, it is recommended that Council approve the 2016 Statement of Financial Information that is attached as Appendix "I" to this report and which has been prepared in accordance with the requirements of the Act.

The Financial Statements contained in this Statement of Financial Information have been prepared by management in accordance with Canadian generally accepted accounting principles as prescribed by the Public Sector Accounting Board ("PSAB") of the Canadian Institute of Chartered Accountants. The integrity and objectivity of these statements are management's responsibility. Management is also responsible for all statements and schedules and for ensuring that this information is consistent with the information contained in the audited financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Audit Committee is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal controls. The Audit Committee meets with management, the internal auditor and the external auditors as required.

The external auditors, KPMG, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Financial Information Act. Their examination includes a review and evaluation of the City's system of internal controls and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and fair access to the Audit Committee.

The primary function of the Audit Committee is to represent and assist City Council in fulfilling oversight responsibilities in relation to the internal control environment in place at the City, including the review of the audited financial statements and other financial information, and liaising with the City's Internal Audit Division in relation to the annual Internal Audit Program.

REPORT FROM THE GENERAL MANAGER, FINANCE & TECHNOLOGY

MAY 8, 2017

To Mayor Linda Hepner and Members of City Council

It is my pleasure to submit the Annual Financial Report for the year ended December 31, 2016. The purpose of this report is to publish the consolidated Financial Statements and the Auditors' Report for the City of Surrey pursuant to Section 167 of the Community Charter.

The preparation of the consolidated financial statements is the responsibility of City Council and the management of the City of Surrey. The financial statements and related information have been prepared in accordance with Canadian Public Sector Accounting Standards as prescribed by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada (CPA). In addition to the City of Surrey, the reporting entity comprises all organizations, boards and enterprises financially accountable to the City of Surrey, including the Surrey Public Library, the Surrey Homelessness and Housing Society and the Surrey City Development Corporation.

The public accounting firm KPMG LLP, which was appointed by City Council as the external auditor, has given the City an unqualified audit opinion on the City's Consolidated Financial Statements, stating that in their professional opinion, the Consolidated Financial Statements present fairly, in all material respects, the consolidated financial position of the City of Surrey as at December 31, 2016 including its consolidated results of operations, its changes in net consolidated financial assets and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

FINANCIAL OVERVIEW

2016 in Review

The construction of new facilities under the 'Build Surrey' Program continued to facilitate development activity throughout the City during 2016. Of particular significance was the opening of the Grandview Heights Indoor Pool, serving the growing community of South Surrey. Design work also began on the new Clayton Hub, which will incorporate integrated arts, library, recreation and outdoor space in a single facility to serve the communities of East and West Clayton. In the residential development community, the shift toward the construction of multifamily dwellings has continued into 2016, although the City still continues to offer excellent value in the single family residential sector relative to the rest of the Greater Vancouver area. Another healthy sign of development was the strong commercial and institutional sector activity; which has been particularly evident in the City Centre. In addition, industrial development in the Campbell Heights area remains steady.

The City's revenues in 2016 totaled \$914.7 million, which is an increase in comparison to revenues of \$853.4 million collected in 2015. This increase was attributable primarily to additional property taxes, utility fees, license, permits and one-time land sale proceeds. The additional revenue generated from the increased property related fees and taxes was required to support a \$12.5 million budgeted increase in Public Safety along with a \$8.8 million budgeted increase in support for new Civic Facilities opening in 2016 and necessary labour and inflationary cost increases.

The City's expenses totaled \$698.8 million in 2016, which was an increase in comparison to expenses of \$670.5 million in 2015. This increase was primarily attributable to increase in the RCMP contract, increases in Parks, Recreation and Culture programming and a reclassification of utility overhead cost recoveries.

Investments

The City's investment policy, which complies with Community Charter requirements, outlines how City funds are to be invested to achieve reasonable returns and with investment security while meeting the City's cash flow requirements. The average portfolio balance related to the City's investments during 2016 was \$747.2 million (\$643.7 million in 2015), which earned \$16.5 million in interest in 2016; plus an additional \$1.2 million was earned specifically for deferred development cost charges. The average rate of return during 2016 on the City's investment portfolio was 2.05%.

Reserve Funds

The City's statutory reserve funds amount to \$116.9 million at the end of 2016 compared to a balance of \$111.0 million at the end of 2015. This increase is mainly due to the sale of lands in Campbell Heights. The deferred development cost charge balance at the end of 2016 was \$267.0 million, which is an increase over the balance of \$239.6 million at the end of 2015. This is a reflection of the City's steady development activity. These funds will be used to fund capital projects that are listed in the City's Five-Year (2017-2021) Financial Plan.

Financial Position

The financial position is calculated as Financial Assets less Liabilities and results in either a Net Financial Asset or a Net Financial Debt. A Net Financial Asset position is an indicator of the funds available for future expenditures and a Net Financial Debt position is an indicator of funds required to pay for past expenditures.

In 2016, the City's the financial position improved by \$25.5 million resulting in a Net Financial Asset position of \$58.7 million mainly due to the City's annual consolidated surplus (revenues exceeding expenses) of \$215.9 million offset by net capital acquisitions.

The City's non-financial assets increased in 2016 by \$190.4 million, bringing the total to \$8.3 billion. The increase is the net result of capital additions of physical assets in the year offset by disposals and amortization expense.

The result of the increase in financial position and non-financial assets was accumulated surplus increasing in 2016 to \$8.4 billion (2015 - \$8.2 billion). Overall, the City continues to maintain a strong financial position.

THE FUTURE

The City's future financial, social and environmental health holds promise and opportunity. The significant growth and transformation we have experienced in the last several years continues as over 1,000 new residents per month make Surrey their home. With this level of growth expected to sustain for the next two decades, the City needs to continue to expand its infrastructure and service levels to ensure that both current and future residents and business needs are adequately met. 2016 marked the official opening of New Grandview Heights Pool and the City's New Works Yard facility. An additional gas boiler plant and distribution system to support the City's District Energy System was completed in 2016 and construction continued on the public/private partnership of one of the largest Organics Biofuel Facilities in Canada, allowing for the introduction of cost and environmentally effective energy to more residential customers. Planning has also started on some significant community projects to support our growing population, these include the relocation of the North Surrey Arenas, the addition of a Multi-use facility in Clayton and expansion of the Surrey Museum and additional ice surfaces in Cloverdale.

In light of the fiscal and operational pressures that come with such significant expansion and growth, City staff will endeavor to ensure that property owners continue to have competitive property tax rates relative to other cities of a similar size both in the local region and across Canada. The continued effective use of City resources will play a critical role in ensuring fiscal prudency, and effective and efficient utilization of resources will certainly be driven by the use of technology and the implementation of innovative solutions. The City continues to introduce technology that improves customer service as well as enhancing and expanding our online service delivery.

Staff is staying abreast with financial statement changes that are being considered by the Public Sector Accounting Board (PSAB) with a view to ensuring that the City implements changes in a timely and efficient manner. Staff are currently studying the potential impact and developing policies to implement the upcoming guidelines related to Inter-Equity Transactions; Related Party Disclosures; Assets, Contingent Assets, and Contractual Rights. These new standards will be required to be adopted by January 1, 2018. Effective January 1, 2019 and January 1, 2020 respectively, staff will also be required to adopt new standards related to Restructuring and Financial Instruments. Other areas of potential change include possible changes to asset retirement obligations, revenue recognition, public private partnerships, employee future benefit obligations and the conceptual framework for financial performance. Staff will monitor potential impacts of these areas as they evolve.

Under the direction and guidance of City Council, the City of Surrey is well positioned to continue to deliver a high quality of services for its current and future residents and businesses in support of a continued high quality of life. The City's tag line, "The Future Lives Here", aptly characterizes the growing, exciting, youthful city that Surrey has become.

Respectfully submitted,

JEura

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the City of Surrey

We have audited the accompanying consolidated financial statements of the City of Surrey, which comprise the consolidated statement of financial position as at December 31, 2016 and the consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City of Surrey as at December 31, 2016, and its consolidated results of operations, its changes in net consolidated financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

GENERAL

The City of Surrey (the "City") is incorporated under the Local Government Act of British Columbia. The City's principal activities include the provision of local government services to residents of the incorporated area. These include administrative, protective, infrastructure, environmental, recreational, water, sewer, and drainage services.

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the City are prepared in accordance with Canadian Public Sector Accounting Standards as prescribed by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada.

a) Basis of consolidation

The consolidated financial statements are comprised of the City's Operating, Capital and Reserve Funds plus the Surrey Public Library (the "Library"), Surrey City Development Corporation ("SCDC") and Surrey Homelessness and Housing Society ("SHHS"). The Library, SHHS and SCDC are consolidated as they are controlled by the City by virtue of their Board being appointed by the City. Inter-fund transactions, fund balances and activities are eliminated on consolidation.

i) Operating Funds

These funds include the General, Drainage, Parking, Roads & Traffic Safety, Sewer, Solid Waste, Surrey City Energy and Water Operating Funds as well as the Surrey Public Library. They are used to record the operating costs of the services provided by the City.

ii) Capital Funds

These funds include the General, Drainage, Parking, Roads & Traffic Safety, Sewer, Solid Waste, Surrey City Energy and Water Capital Funds and Surrey Public Library Capital. They are used to record the acquisition costs of tangible capital assets and any related debt outstanding.

iii) Reserve Funds

Under the Community Charter of British Columbia, City Council may, by by-law, establish reserve funds for specified purposes. Money in a reserve fund and interest earned thereon must be expended only for the purpose for which the fund was established. If the amount in a reserve fund is greater than required for the purposes for which it was established, City Council may transfer all or part of the amount to another reserve fund.

iv) Surrey City Development Corporation

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of Surrey City Development Corporation ("SCDC"). All inter-departmental and inter-entity accounts and transactions between SCDC and the City are eliminated upon consolidation. SCDC has the following wholly owned subsidiaries and government partnerships, which are accounted for as follows:

i) Surrey City Investment Corporation ("SCIC") - (100% owned and fully consolidated)

SCIC has a 29.9% ownership in the following entities (proportionately consolidated), referred to as the "Surrey Centre Limited Partnerships":

- Surrey Centre Office Limited Partnership
- Surrey Centre Hotel Limited Partnership
- Surrey Centre Residential Limited Partnership

SCIC has a 50% ownership in nine holding companies (proportionately consolidated) referred to as the "Surrey Centre Tower Holdings".

For the year ended December 31, 2016 [tabular amounts in thousands of dollars]

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

a) Basis of consolidation (continued)

iv) Surrey City Development Corporation (continued)

- ii) Grove Limited Partnership and Grove (G.P.) Inc. (50% owned and proportionately consolidated)
- iii) Surrey City Investment (Industrial) Corporation ("SCIIC") (100% owned and fully consolidated)

SCIIC has a 50% ownership in the Beedie SCDC (34A Ave) Limited Partnership ("Beedie LP") - (50% owned and proportionately consolidated)

SCIIC has a 50% ownership in the Beedie SCDC (34A Ave) G.P. Ltd., the General Partner of Beedie LP - (50% owned and proportionately consolidated)

v) Surrey Homelessness and Housing Society

The consolidated financial statements include the assets, liabilities, revenues and expenses of Surrey Homelessness and Housing Society ("SHHS"). All inter-entity accounts and transactions between SHHS and the City are eliminated upon consolidation. The City provided seed money to the Surrey Homelessness and Housing Society and oversees its operations.

vi) Innovation Boulevard Corporation

The City has a 50% ownership in the Innovation Boulevard Corporation ("IBC"), a government partnership. The consolidated financial statements include the City's 50% proportional share of the assets, liabilities, revenues and expenses of IBC. There was no impact to the City's financial statements for 2016. All inter-entity accounts and transactions between IBC and the City are eliminated proportionally upon consolidation.

vii) Trust Funds

These funds account for assets which must be administered as directed by agreement or statute for certain beneficiaries. In accordance with PSAB recommendations on financial statement presentation for local governments, trust funds are not included in the City's consolidated financial statements. Trust funds administered by the City are presented in note 18.

b) Revenue recognition

Revenues are recognized in the period in which the transaction or event occurs that give rise to the revenues. All revenues are recorded on an accrual basis, except when the amounts cannot be determined with a reasonable degree of certainty or when their estimation is impractical.

The City is required to act as the agent for the collection of certain taxes and fees imposed by other authorities. Collections for other authorities are excluded from the City's taxation revenues.

Revenue recognition on sales of properties occurs when the City has transferred the significant risks and rewards of ownership. Property lease revenue includes all amounts earned from tenants, including property tax and operating cost recoveries. Lease revenues are recognized on a straight-line basis over the term of the lease. Consulting revenue is recorded at the time services are provided.

Restricted transfers from governments are deferred and recognized as revenue in the period the stipulations in the related agreement are met.

Unrestricted transfers are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

For the year ended December 31, 2016 [tabular amounts in thousands of dollars]

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

c) Deferred revenue

The City defers the portion of the revenue collected from permits, licenses and other fees relating to services not yet rendered. This revenue is recognized in the year in which related inspections are performed or other related services are provided.

d) Investment income

Investment income is reported as revenue in the period earned.

e) Expenses

Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay. Interest expense is accrued as incurred.

f) Properties held-for-sale

Properties held for sale include real estate properties which are ready and available to be sold and for which there is an available market. They are valued at the lower of cost or expected net realizable value. No amortization is recorded for properties held-for-sale. Properties held-for-sale is presented in note 4.

g) Investments

City investments consist of demand deposits, short-term investments, bonds and debentures, which are recorded at amortized cost. Discounts and premiums arising on the purchase of these investments are amortized over the term of the investments on a straight line basis.

h) Employee future benefits

The City and its employees participate in the Municipal Pension Plan. The Municipal Pension Plan is a multi-employer contributory defined benefit pension plan. Payments in the year are expensed.

Sick leave and post-employment benefits also accrue to the City's employees. The liability relating to these benefits is actuarially determined based on length of service, best estimates of retirement ages and expected future salary and wage increases. The liabilities under these benefit plans are accrued based on projected benefits pro-rated as employees render services necessary to earn the future benefits.

Actuarial gains or losses are amortized over the expected average remaining service life of the related employee group.

The liability for event driven benefits, such as disability benefits, is calculated after the event occurs. The expense is recognized in the year the event occurs.

i) Budget data

The budget data presented in these consolidated financial statements was included in the City of Surrey 2016 – 2020 Consolidated Financial Plan and was adopted through By-law #18563 on March 7, 2016.

For the year ended December 31, 2016 [tabular amounts in thousands of dollars]

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

i) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

i) Tangible capital assets

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

ASSET	USEFUL LIFE - YEARS
Land improvements	12 - 60
Buildings and improvements	10 - 50
Infrastructure	10 - 100
Machinery and equipment	5 - 40

Annual amortization is charged commencing on the date the asset is acquired or available for use. Work-in-progress amounts are not amortized until the asset is put into service.

ii) Interest capitalization

The City does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset except for development properties of SCDC.

iii) Contributions of tangible capital assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are recorded as revenue. These assets include some land, road infrastructure, water and wastewater infrastructure, machinery and equipment assets.

iv) Intangible assets

Intangible assets, including works of art and historic assets are not recorded as assets in these financial statements.

v) Leases

Leases are classified as capital or operating leases. Leases that transfer substantially all the benefits and risks incidental to ownership of the property are accounted for as capital leases and the related asset and obligation are recorded on the statement of financial position. All other leases are accounted for as operating leases and the related lease payments are expensed as incurred.

vi) Inventories of supplies

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

k) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating contributed tangible capital assets, developer contributions, useful lives for amortization, provisions for accrued liabilities, contingencies and in performing actuarial valuations of employee future benefits.

Actual results could differ from these estimates.

1. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I) Segment disclosure

A segment is defined as a distinguishable activity or group of activities of a government for which it is appropriate to separately report financial information to achieve the objectives of the standard. The City of Surrey has provided definitions of segments used by the City (note 1(a)) as well as presented financial information in segmented format (note 22).

m) Liabilities for contaminated sites

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. A liability for remediation of contaminated sites is recognized when a site is not in productive use and all of the following criteria are met:

- · An environmental standard exists;
- Contamination exceeds an environmental standard;
- The City is directly responsible or accepts responsibility;
- The City expects that future economic benefits will be given up; and,
- A reasonable estimate of the amount can be made.

The liability is measured as management's estimate of the cost of post remediation, including operations, maintenance and monitoring, which are an integral part of the remediation strategy for a contaminated site. The liability is recorded net of any expected recoveries.

2. RECAST OF COMPARATIVE FIGURES

During the year, the City determined that certain parcels of land were inaccurately valued in the prior year's asset registers. The prior years' comparative figures have been recast for these immaterial items.

The effects of the adjustments on the comparative are summarized below in thousands of dollars:

ACCUMULATED SURPLUS AT JANUARY 1:

City investments had an average portfolio yield of 2.05% (2015 – 2.38%). All City investments can be liquidated on demand, but may have associated penalties on liquidation.

Other investments include a diversified portfolio of fixed income and equity securities held by the Surrey Homelessness and Housing Society for the purpose of supporting programs and projects related to reducing homelessness and increasing access to safe and affordable housing in Surrey.

During 2013, SCDC invested \$700,000 for a 20% ownership of Bosa Properties (Bright A.1) Limited Partnership ("Bosa"). During 2014 SCDC received a \$396,502 distribution from Bosa LP. Accordingly, SCDC's investment in the partnership was reduced to \$303,498 at December 31, 2014. SCDC does not share control of Bosa and accordingly, this has been accounted for as a portfolio investment, carried at cost.

11. EMPLOYEE FUTURE BENEFITS

The City provides certain post-employment and sick leave benefits to its employees. These benefits include accumulated non-vested sick leave, post-employment service pay and post-retirement top-ups for dental, life insurance and accidental death, dismemberment insurance, vacation deferral, supplementary vacation and benefit continuation for disabled employees. The liability associated with these benefits is calculated based on the present value of expected future payments pro-rated for services, and is included in accounts payable and accrued liabilities.

An actuarial valuation for these benefits was performed to determine the City's accrued benefit obligation as at December 31, 2016. The difference between the actuarially determined accrued benefit obligation of \$25.4 million and the accrued benefit liability of \$26.9 million as at December 31, 2016 is an unamortized actuarial gain of \$1.5 million. The actuarial gain is amortized over a period equal to the employees' average remaining service lifetime of 11 years.

Accrued benefit obligation:		2016	2015

a) Work-in-progress

Work-in-progress is comprised of costs related to projects currently under planning, development or construction that will result in a tangible capital asset at a future date. Such costs are capitalized until such time as the property is ready for use or sale.

Work-in-progress having a value of \$275.1 million (2015 - \$226.9 million) has not been amortized. Amortization of these assets will commence when each specific asset is put into service.

b) Contributed Tangible Capital Assets

Contributed tangible capital assets have been recognized at fair value at the date of contribution. The value of contributed assets received during the year is \$114.2 million (2015 - \$129.6 million) comprised of roads infrastructure in the amount of \$92.4 million (2015 - \$95.5 million), water and wastewater infrastructure in the amount of \$12.6 million (2015 - \$19.7 million) and land in the amount of \$9.2 million (2015 - \$14.4 million), including improvements.

c) Tangible Capital Assets Disclosed at Nominal Values

Where an estimate of fair value is not determinable, the tangible capital asset is recognized at a nominal value.

d) Works of Art and Historical Cultural Assets

The City manages and controls various works of art and non-operational historical cultural assets including buildings, artifacts, paintings and sculptures located at City sites and public display areas. These assets are not recorded as tangible capital assets and are not amortized.

e) Write-down of Tangible Capital Assets

Tangible capital assets are written down when conditions indicate that they no longer contribute to the City's ability to provide goods and services. Any impairment is accounted for as an expense in the consolidated statement of operations. No impairments were identified or recorded during the year ended December 31, 2016 and 2015.

14. COMMITMENTS AND CONTINGENCIES

- a) The City has significant future contractual commitments for incomplete capital acquisitions and capital construction projects in progress. The City records the capital costs incurred to the end of the year on these projects as work in progress under tangible capital assets. To provide for the completion of the projects, unexpended budget money for incomplete projects is appropriated as Committed Funds (see note 13). The Financial Plan, updated annually, provides for the financing of these and future obligations within the estimated financial resources of the City.
- b) The City has a contingent liability with respect to debentures of the Greater Vancouver Water District, Greater Vancouver Sewerage and Drainage District and Greater Vancouver Regional District, to the extent provided in their respective Enabling Acts, Acts of Incorporation and Amending Acts. Management does not consider payment under this contingency to be likely and therefore no amounts have been accrued.
- c) The City is a shareholder of the Emergency Communications for Southwest British Columbia Incorporated (E-Comm) whose services provided include: regional 9-1-1 call centre for the Greater Vancouver Regional District; Wide Area Radio network; dispatch operations; and records management. The City holds 2 Class "A" shares and 1 Class "B" share (of a total of 28 Class "A" and 23 Class "B" shares issued and outstanding as at December 31, 2016). As a Class "A" shareholder, the City shares in both funding the future operations and capital obligations of E-Comm (in accordance with a cost sharing formula), including any lease obligations committed to by E-Comm up to the shareholder's withdrawal date. As a Class "B" shareholder, the City is obligated to share in funding of the ongoing operating costs. In accordance with the members' agreement, upon withdrawal from E-Comm, Class A shareholders shall be obligated to pay to the withdrawal date as requested by E-Comm their share of the class A shareholders' obligation to any long-term capital obligations, including any lease obligations. This includes any lease obligations or repayments thereof committed to by E-Comm up to the withdrawal date.
- d) The City entered into an agreement with the YMCA of Greater Vancouver for the joint development of a facility in Surrey. The City contributed \$5.5 million towards the completion of the project, which was matched by the YMCA. The City has also provided a guarantee through an \$8.0 million pledge agreement in connection with a non-recourse first collateral mortgage expiring October 15, 2017, in favor of the Royal Bank of Canada that is registered against the land and facility, which can be renewed annually. The City does not expect to make any payments on the guarantee and no amounts have been accrued in the financial statements.
- e) The City insures itself through a combination of insurance policies and self-insurance. The City has a funded self-insurance appropriation included in surplus (note 13). Based on estimates, this appropriation reasonably provides for all outstanding claims where the outcome is not currently determinable.
- f) The City is, from time to time, engaged in or party to certain legal actions, assessment appeals and other existing conditions involving uncertainty which may result in material losses. The outcome and amounts that may be payable, if any, under some of these claims, cannot be determined and accordingly only those claims in which a payment is considered likely and the amounts can be reasonably estimated have been recorded in the financial statements as a liability.

14. COMMITMENTS AND CONTINGENCIES (CONTINUED)

g) Debt Reserve Fund Demand Note

The City has a contingent liability with respect to the Municipal Finance Authority of BC's ("MFA") Debt Reserve Fund Demand Notes. This contingent liability is a condition of the borrowings undertaken by the City through:

- i) MFA Debenture Issue No. 116 April 4, 2011;
- ii) MFA Debenture Issue No. 121 October 4, 2012; and
- iii) MFA Debenture Issue No. 126 September 26, 2013.

As a condition for each debenture issue, the City is required to execute demand notes in connection with each debenture whereby the City may be required to loan certain amounts to the MFA. The debt agreement with the MFA provides that if at any time the scheduled payments provided for in the agreement are not sufficient to meet the MFA's obligations in respect to such borrowing, the resulting deficiency becomes the joint and severed liability of the City and all other participants to the agreement through the MFA. The City is similarly liable on a contingent basis for the debt of other municipalities secured through the MFA.

Demand note amounts are as follows:

14. COMMITMENTS AND CONTINGENCIES (CONTINUED)

i) Surrey Organics Biofuel Processing facility

The City has entered into a 25-year agreement with Orgaworld Surrey Limited Partnership (the "Operator") to design, build, finance, operate and maintain the Surrey Organics Biofuel Processing facility. The City has provided the land upon which the facility is being constructed and will fund 25% of the construction costs up to a maximum of \$16 million, to be received through a P3 Canada Infrastructure Grant. The constructions costs, as at December 31, 2016, were \$45 million. Under the agreement, the City has guaranteed to deliver to the Operator a minimum tonnage of City Organic Waste (as defined in the Agreement) for processing. The City will make payments to the Operator for acceptance of City Organic Waste in accordance with a specified formula. The Operator will also have the right to earn revenue from the delivery/acceptance of organic waste from third parties. In return the City will receive 100% of the biomethane produced at the facility and will share in certain other revenues generated at the facility. Upon expiry of the lease term the facility will become the asset of the City.

The facility is expected to be completed and to commence operation in 2017. At the time of completion, the City will receive the grant revenue from P3 Canada and remit the funds to the Operator. The City will record the facility on its financial statements as a tangible capital asset in the amount of its cost of construction, estimated to be approximately \$60 million. The City will also record a liability representing future obligations to the Operator in an amount equal to the difference between the construction cost of the facility and the P3 Canada Infrastructure Grant. The liability and deferred revenue will be reduced over the term of the agreement as payments are made to the Operator.

15. PENSION PLAN

The City and its employees contribute to the Municipal Pension Plan (the "Plan"), a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for administering the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula. As at December 31, 2016, the Plan has about 189,000 active members and approximately 85,000 retired members. Active members include approximately 37,000 contributors from local government.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The most recent valuation for the Plan as at December 31, 2015, indicated a \$2,224 million funding surplus for basic pension benefits on a going concern basis. The next valuation will be as at December 31, 2018, with results available in 2019.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

The City paid \$17.6 million (2015 - \$16.8 million) for employer contributions while employees contributed \$14.7 million (2015 - \$14.0 million) to the Plan in 2016.

19. SURREY HOMELESSNESS AND HOUSING SOCIETY

On June 22, 2007, the City of Surrey incorporated the Surrey Homelessness and Housing Society. The purposes of the Society are to raise funds for financing programs and projects that address homelessness in Surrey; conduct and provide financial assistance to homelessness housing initiatives; manage the disbursements of grants for projects and programs that address homelessness in Surrey and act to raise funds for these purposes. As the City appoints the majority of members in the Society, who then appoint the Society's Board, the City is considered to have control over the Society's functions and the Society's financial information is fully consolidated within the City's financial statements.

20. INNOVATION BOULEVARD CORPORATION

On October 28, 2016, the City of Surrey and Simon Fraser University ("SFU") incorporated the Innovation Boulevard Corporation ("IBC"), a government partnership. SFU and the City are the only shareholders of IBC with each having a 50% interest. The purposes of this company is the development of an integrated innovation and technology hub in Surrey that coordinates and facilitates the efforts of private industry, investors, the City, SFU, Fraser Health Authority, other levels of government, local universities and colleges, healthcare and other service providers, not-for-profit stakeholders, researchers, and leaders to build a dynamic infrastructure to support innovation, research, community engagement, private and public investment, job creation and oversight to improve the lives of the people of Surrey and beyond. As the City jointly controls IBC, the City proportionately consolidates IBC's statements with the City's financial statements. As at December 31, 2016, IBC had no assets or liabilities.

21. SURREY CITY DEVELOPMENT CORPORATION

On April 24, 2007 the City of Surrey incorporated the Surrey City Development Corporation ("SCDC") with the purpose of advancing the commercial, industrial, institutional and residential development of the City. The City is the sole shareholder of the Development Corporation and has provided financing to sustain operations and the development. As a controlled other government organization, the Corporation's financial information is fully consolidated within the City's financial statements.

As at December 31, 2016, SCDC has entered into Government Partnerships as follows:

a) The Grove Limited Partnership

The Grove Limited Partnership ("Grove") is a partnership for the development of 141 three-level townhomes located in the East Clayton area of Surrey. SCDC mutually contributed a beneficial interest in lands valued at \$2,844,000 and cash consideration of \$1,341,597, for a 50% interest in the Grove. The proportionate amounts included in the consolidated financial statements at December 31, 2016 are as follows:

Assets	\$ 124
Liabilities	(27)
Accumulated surplus	\$ 97

Revenues and expenditures for the year ended were \$436 thousand (2015 – \$895 thousand) and \$103 thousand (2015 - \$175 thousand), respectively.

b) Surrey Centre Limited Partnerships

Surrey Centre Limited Partnerships ("SCLPs") are various partnerships for the development of mixed-use real estate developments in the City. The SCLPs financial results are proportionately consolidated with those of the Corporation based upon the Corporation's partnership interest of 29.9%. The liability of SCDC is limited to the cash and land which it will contribute to the SCLP through SCIC. The proportionate amounts included in the financial statements at December 31, 2016 are as follows:

22. SEGMENTED INFORMATION

The City of Surrey is a diversified municipal government institution that provides a wide range of services to the citizens of Surrey, including Police Services; Parks, Recreation and Culture Services; General Government Services; Water Services; Fire Services; Sewer Services; Engineering Services; Drainage Services; Solid Waste Management Services; Roads & Traffic Safety Services; Planning and Development Services; Parking Services; Surrey City Energy Services; and Surrey Public Library Services. For management reporting purposes, the Government's operations and activities are organized and reported by Service Area. Service Areas were created for the purpose of recording specific activities and related objectives in accordance with legislated requirements.

City Departments and the activities for which they are responsible are reported in these Service Areas. The Departments listed in the segmented information, along with the services that each Department provides are listed below:

Police Services

The mandate of the Police Department includes enforcing laws, preventing crime, and maintaining peace, order and security.

Parks, Recreation and Culture Services

The Parks, Recreation and Culture Department is responsible for planning, facilitating the development of, operating and maintaining high quality parks, recreation and cultural facilities and services.

General Government Services – Mayor & Councillor's Department, City Manager's Department, Finance & Technology Department, Human Resources Department, Surrey City Development Corporation, and Surrey Homelessness and Housing Society

General Government Services includes those elements of the organization with responsibility for adopting by-laws, adopting administrative policy, levying taxes, acquiring, disposing and managing City assets, ensuring effective financial management, monitoring performance and ensuring that high quality City service standards are met. The Surrey City Development Corporation, which engages in the provision of consulting services, land development activities, property acquisition/disposal and asset management and the Surrey Homelessness and Housing Society, which focuses on addressing homelessness in Surrey through raising funds and the provision of grants to worthy projects also form part of General Government Services.

22. SEGMENTED INFORMATION (CONTINUED)

Water Services

The Water Utility operates the water system and its primary responsibility, in partnership with the Operations Division and Metro Vancouver, is to supply clean, safe drinking water to the residences and businesses of Surrey.

Fire Services

The mandate of the Fire Department is to enforce codes and maintain security by protecting life, property and the environment through the provision of emergency response services.

Sewer Services

The Sewer Utility operates the network of sewer mains, to collect sewage and convey such sewage to treatment plants. The utility also plans, designs, and constructs sanitary sewer infrastructure; manages inflow and infiltration controls; and undertakes initiatives in support of the region's Integrated Liquid Waste Resource Management Plan.

Engineering Services

The Engineering Department is responsible for providing timely and effective services relating to water, sewer, drainage, garbage collection, transportation systems, and corporate real estate.

Drainage Services

The Drainage Utility operates the network of storm sewers and pump stations for storm water management. Its primary responsibility is to manage the City's storm water runoff in partnership with the Operations Division and Metro Vancouver.

Solid Waste Management Services

The Solid Waste Utility provides weekly residential curbside organic waste collection with alternating bi-weekly garbage and recycling, and curbside collection services via a fully-automated cart-based collection system.

Roads and Traffic Safety Services

The Roads & Traffic Safety Utility provides effective managed transportation systems that serves the mobility needs of individuals and businesses and is safe, secure and supports the economic vitality of the City, and protects and enhances the environment.

Planning and Development Services

The Planning and Development Department is responsible for preparing land use plans, by-laws and policies for sustainable development of the City and for reviewing and approving new land and building development.

Parking

The Parking Authority Utility is a self-funded program that involves planning, managing and enforcing the City's on and off street parking assets, employing leading edge technologies, such as license plate recognition and pay stations that provide a user friendly interface, improved theft security and efficient enforcement.

Surrey City Energy

Surrey City Energy is the municipal energy utility of the Engineering Department. This utility provides the planning and development of community energy systems that will provide thermal energy to new and existing developments throughout the City Centre area.

Surrey Public Library Services

The Surrey Public Library provides access to local and global information through its nine Library branches located throughout the City.

Consolidated Total	\$	175,497,077.69	\$	13,590,488.18	\$ 1,565,573.44

^{*} Taxable Benefit & Other" includes payout of earned time for vacation, gratuity payments, pay for performance, banked time, and/or vehicle allowances.

The variance between the Schedule of Remuneration and Expenses and the Salaries and benefits expenses reported on the consolidated financial statements of the City are due to various factors including:

- The Remuneration and Expenses schedule is based on actual cash payments made during the fiscal year (including payouts of vacation, gratuity, and overtime banks) whereas the consolidated financial statement figure is determined on an accrual basis;
- The Remuneration and Expenses schedule excludes the Surrey Public Library and Surrey City Development Corporation; and,
- The Salaries and benefits includes benefits that are recorded at full cost (including overhead allocations) on the consolidated financial statements and includes items such as employer portions of federal deductions, retirement benefits and medical benefits.

During the fiscal year ending December 31, 2016, the City of Surrey entered into	3
severance agreements ranging from 1.4 months to 3 months in duration.

The City prepares the Schedule of Suppliers of Goods or Services based on actual disbursements processed through its Financial System. This provides assurance on completeness as the reported amounts are reconciled to the financial system payment register and electronic funds transfer records. The Schedule of Suppliers of Goods or Services is prepared on a "cash basis". This total figure will vary significantly from the expenditures shown on the consolidated financial statements that are prepared on a consolidated basis using the accrual method of accounting due to various factors including:

- Timing differences between the cash basis and accrual method;
- There are payments that are not considered expenditures including payments for assets, other taxing authorities, and debt principal repayments;
- There are expenditures which do not involve an actual cash disbursement (in addition to accruals), for example some grants and lease-in-kind as these are offset by related revenues;
- The Schedule of Suppliers of Goods or Services excludes the Surrey Public Library, Surrey City Development Corporation, Surrey Homelessness & Housing Society and employee expenses included in the Schedule of Remuneration and Expenses; and,
- There are expenditures which are externally recovered, these recoveries are recorded against expenditures on the consolidated financial statements.

Prepared under the Financial Information Regulation, Schedule 1, subsection 7(2)(b)
