4. Double M Excavating Ltd.
5. Jacob Bros. Construction Inc.
6. Mainland Excavation & Shoring Ltd.
7. Matcon Civil Constructors Inc.
8. McDonald & Ross Const. Ltd.
9. Mission Contractors Ltd.
10. Richco Contracting Ltd.
11. TAG Contracting Ltd.
12. Tybo Contracting Ltd.
13. Western Watershed Designs Inc.

(c) Tier 3 – Stormwater Detention Facilities (generally greater than \$0.5 million)

1. Bel Contracting, A Division of Belpacific Excavating & Shoring LP
2. B&B Contracting (2012) Ltd.
3. Conwest Contracting Limited
4. Matcon Civil Constructors Inc.
5. Tybo Contracting Ltd.
6. Western Watershed Designs Inc.
7. Wilco Civil Inc.

The pre-qualified contractors may be invited to submit tenders on the below listed projects for the City's Engineering Department, Design & Construction Division from 2018 to 2021. The project components included under this pre-qualification process will be tendered under various contracts.

The list of qualified contractors may be used for other projects with similar scope, nature and complexity. Below are the seven projects that were mentioned on BC Bid:

1. West Clayton Pond;
2. Quibble Creek Culvert Replacement;
3. Hawthorne Park Wetland;
4. East Clayton Pond;
5. Colebrook Dykes;

6. Upper Chantrell Realignment; and
7. Lower Chantrell Realignment.

Evaluation of Submissions:

The submissions were evaluated using the following criteria:

- Relevant experience in dyke and in-creek construction work;
- Availability of suitable equipment;
- Experience and qualifications of personnel; and
- References in relation to projects that the contractor has completed.

Of the 20 submissions that were received by the City, 16 were deemed to be suitable to include on one or more of the pre-qualified contractor lists.

SUSTAINABILITY CONSIDERATIONS

The pre-qualification of contractors for specialized drainage works supports the objectives of the City's Sustainability Charter. In particular, the plan supports the Sustainability Charter themes of Economic Prosperity and Livelihoods, Ecosystems, and Infrastructure. Specifically, the pre-qualification of contractors supports the following Desired Outcomes:

- Economy DO₉: Economic activities recognize the importance of, and have minimal impact on the natural environment;
- Natural Areas, Biodiversity and Urban Forest DO₂: Surrey actively protects, enhances and restores its natural environment and habitats;
- All Infrastructure DO₂: Infrastructure systems provide safe, reliable and affordable services; and
- All Infrastructure DO₃: Infrastructure systems are designed to protect human health, preserve environmental integrity, and be adaptable to climate change impacts.

CONCLUSION

Based on the above, the Engineering Department recommends that Council approve, as "pre-qualified contractors" for the years 2018-2021, the contractors described in this report for Tier 1, Tier 2 and/or Tier 3 projects.

Fraser Smith, P.Eng., MBA
