INTENT

The purpose of this report is to request that Mayor and Council support a funding request from Council Initiatives Fund to offset operational costs associated with the 2018 Corporate Battle of the Bands charity event taking place at The Flamingo Events Centre in Surrey.

DISCUSSION

The Corporate Battle of the Bands event is a friendly competition to promote music and workplace team building. The event will feature corporate sponsors and their employees who play music on the side. Entrants are expected from local businesses along with organizations from other cities. The winners of the contest will be determined by a panel of judges and audience response.

The event will take place over six nights at The Flamingo Events Centre in Surrey, with three bands featured on each of the five preliminary-round nights; winners from each of those nights will play in the contest final on October 25, 2018. All proceeds from the contest will benefit the winning band's charity of choice. The event aims to create more opportunities for the community to see live music. The venue can hold up to 250 people and is located close to Gateway Skytrain station.

The City has received a funding request from the event organizers to offset operational costs related to providing rehearsal time for participating bands. Staff have evaluated the request and support a funding request of \$2,000 from the Council Initiatives Fund. Details of the sponsorship request are included in Appendix "I".

FUNDING

This is the first year that the City has received a funding request from The Flamingo Events Centre for their Corporate Battle of the Bands charity event. Accordingly, Council has not provided previous funding for this event.

Staff is recommending that Council consider supporting the 2018 Corporate Battle of the Bands charity event through a contribution of \$2,000 from the Council Initiatives Fund.

Appendix "II" attached to this report documents the balance in the Council Initiatives Fund based on an assumption that Council will approve the recommendations of this report.

BACKGROUND:

The Flamingo's corporate <u>Battle of the Bands Corporate – in Surrey</u> contest is designed as friendly competition to promote music and workplace team building in the City of Surrey. It is a charity event that is designed to promote local businesses, musicians and non-profits and have them collaborate.

Surrey's live music industry matters economically, culturally and socially and Surrey is building one of the most thrilling and dynamic music scenes in the province. The event takes place at the Flamingo Events Centre, a recently opened venue in Surrey BC, an area in the region that has few opportunities for the community to see live music. This is an exciting and unique live music venue in Surrey BC. Located at 108 and King George Blvd in Whalley, the opening of the Flamingo Events Centre brings much needed opportunities through live shows for local bands, music industry workers, supporting businesses and the entire community.

The Flamingo venue can hold up to 250 people, is close to a skytrain station which opens up access from Vancouver, New Westminster, Burnaby and Coquitlam. The venue is turn key with complete sound and light systems and access to a complete backline.

The Flamingo is managed by David Geertz who has over 30 years experience in the music industry. Booking of bands is through Live Acts Canada and events at the Flamingo are supported by a professional marketing and promotions team. Bands, the businesses that support them will benefit from cross promotion to audiences through Live Acts and the Flamingo channels, which together reaches from South Surrey to North Vancouver and around the lower mainland.

FUNDING:

Funding received from the City of Surrey would go towards operational costs for the Flamingo Events Centre to provide performance rehearsal time in preparation for live performances for each participating band.
