After School

DROP-IN
PROGRAMS
FOR AGES 8-12 YEARS

Recreation Surrey's MYzone and MYgame drop-in programs are designed to provide affordable, accessible and high-quality programming during the critical afterschool hours from 3pm-6pm.

What is MYzone

This two hour program provides a safe and nurturing environment for children to learn, explore, be active and build connections with their peers. Program Leaders work with participants to design weekly activity plans.

CHILDREN HAVE THE OPPORTUNITY TO:

- Participate in active play and recreation
- Receive help with homework
- Create art
- Enjoy a light snack
- Explore various interests
- Develop leadership skills and build a sense of belonging to their community
- Enhance social - emotional skills and make new friends!

What is MYgame?

MYgame is one hour drop-in program designed to provide children with more opportunities to try a variety of active games and tabletop games. This supervised drop-in program creates an environment for critical thinking, skill development and healthy competition while having fun. Each day focuses on one activity which changes throughout the week.

Why ages 8 to 12?

The middle years set the foundation for success in adolescence and adulthood. It is a time when children cultivate important life skills include decision making, developing self-confidence and learning to navigate their social worlds

Why After School

MYzone and MYgame are offered during the critical hours, a time of day when children (if left unsupervised) may be vulnerable and exposed to risky behaviours and disengaged from positive activities. Providing children with opportunity to learn, play and make friends is a safe environment during the after school time can play a significant role in their positive development.

Program Schedule The schedule of MYzone and MYgame will now vary site to site. Visit surrey.ca/MYzone for the most up-to-date information.
