

INVITATION TO TENDERERS

Contract: Colebrook Pump Station Replacement (DMAF)
6021-004-11

The Owner invites tenders for:

Construction of a new drainage pump station including but not limited to:

- In-stream works including site isolation, temporary bypass pumping, erosion and sediment control and environmental monitoring;
- Demolition and removal of the existing pump station;
- Civil works including excavations, pipe and sheet pile driving, cast-in-place structural concrete, and installation of HDPE discharge lines and headwalls;
- Supply and installation of pumps and motors, electrical equipment and miscellaneous metals; and
- A building including architectural finishes.

This project is funded in part by the Government of Canada through the Disaster Mitigation and Adaptation Fund Program.

Contract Documents are available at:

This tender is being issued electronically through the BC Bid website (www.bcbid.gov.bc.ca) where any interested party may download the tender documents directly from the BC Bid website. No registration, tracking or other recording of tender document holders will be performed by the *Owner*. All addenda, or further information will be published through the BC Bid website. It is the sole responsibility of the tenderer to monitor the BC Bid website regularly to check for updates.

The *Contract* is based on the MMCD Platinum Edition and the City's Supplementary MMCD (April, 2020)

Tenders are scheduled to close:

Tender Closing Time: 2:00 p.m. local time
Tender Closing Date: October 12th, 2022

Tenders should be submitted in a sealed package, marked on the outside with "Tenders for 6021-004-11 Colebrook Pump Station Replacement (DMAF)" and must be received at the first floor Main Reception/Information Desk, Surrey City Hall, 13450-104 Avenue, Surrey,

B.C. Canada V3T 1V8. **Note the City has resumed opening tenders publicly at Surrey City Hall. Tenders are welcome to join the tender openings.**

**NAME OF OWNER'S
REPRESENTATIVE**
