INFORMATION FOR CONTRACTORS

This Addendum is issued to provide additional information and clarifications to the RFQ for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the Contractor not being familiar with this addendum. This Addendum No. 1 contains one (1) pages.

QUESTIONS AND ANSWERS:

- Q1. At the Guildford Rec Center, we see that the main entrance areas and areas that are most traveled look well kept, but the dogwoods have not been pruned for some time. Are you wanting this included in the contact price or done as an extra?
- A1. Any dogwood trees are not part of the scope of this contract. Any dog wood shrubs would require pruning as needed as per the contract schedule only, and should be included in price.
- Q2. For the wildflower areas, are you wanting those areas cleaned out before spreading the wildflowers?
- A2. Re-seeding only at this time. If a major renovation is required, that would be assessed once awarded and done as an extra service.

All Addenda will become part of the Contract Documents.
