This Addendum is issued to provide additional information to the ITT #1220-020-2020-004 for the above-named project, to the extent referenced and shall become part thereof. No consideration will be allowed for extras due to the Tenderer not being familiar with this Addendum. This Addendum No. 2 contains one (1) page in total.

QUESTION AND ANSWER:

Q1: Aplin Martin Drawing 01 of 02 notes: Existing Trees to be removed (Typ.) – there is no indication on the drawing how many, or where these trees are in terms of the proposed layout. There is also not a line item in the Form of Tender for tree removal. Can you please provide more detail for this?

A1: Disregard the “EX. TREES TO BE REMOVED (TYP.)” note on Sheet 01 of 02. There are no trees requiring removal for this contract. (Existing trees previously in conflict with the proposed works had already been removed prior to tendering).

– END OF ADDENDUM –

All Addenda will become part of the ITT Documents.
