TITLE: PAVEMENT RESTORATION – OPERATIONS
MANAGEMENT

ADDENDUM ISSUE DATE: MARCH 30, 2020

CLOSING DATE: PREFER TO RECEIVE QUOTATIONS ON OR
BEFORE MARCH 31, 2020

INFORMATION FOR CONTRACTORS

This Addendum is issued to provide additional information and clarifications to the RFQ for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the contractor not being familiar with this addendum. This Addendum No. 1 contains one (1) page in total.

Q.1. Why do the milling areas not match up with the pavement areas under road classifications with the exception of the local roads subsection?

A.1. The areas are not supposed to match. All items with the exception of Items 1, 8, & 9, involve both milling and paving to their respective depths specified. Please refer to SSP12 and SSP13 respectively.

Q.2. Within this subsection for the local roads there are no quantities for items #7.1, 7.2, 7.3 on the appendix A-1 location specific drawing map details. There is only quantities for item #7.4. Should the other items be removed?

A.2. As stated in the RFQ, the quantities for this contract will vary. Items 7.1, 7.2 and 7.3 are placeholder quantities in case new locations are added or new patches added to existing locations. Contractors should price all quantities fairly with no unbalancing.

END OF ADDENDUM

All Addenda will become part of the RFQ Documents.
