**ADDENDUM NO. 2**

---

**REQUEST FOR PROPOSALS (RFP) No.:** 1220-030-2021-010  
**TITLE:** GARBAGE, RECYCLABLES & ORGANICS COLLECTION  
**ADDENDUM ISSUE DATE:** JULY 19, 2021

---

This Addendum is issued under Section 5.9 of the RFP.

Capitalized words used in this Addendum and not otherwise defined will have the meanings given to them in the RFP.

Amendments to the RFP

1. The RFP is amended as follows:

- a. In item a. of Data Management and Transfer in Attachment 2B – Proponent’s Technical Proposal, delete “and with the City residential account system”.
- b. In item b. of Data Management and Transfer in Attachment 2B – Proponent’s Technical Proposal, add the following to the end:  

“**Note to Proponents: Cityworks tracks and records all service inquiries, requests and complaints. The Contractor under the Final Contract will be granted access to Cityworks for the purposes of performing the Services.**”
- c. Delete Appendix 3 – Map of Collection Areas of the RFP and replace it with Attachment 1 to this Addendum No. 2.

Amendments to the Draft Contract

2. The Draft Contract is hereby amended as follows:

- a. Delete the first Sentence of Section 8.2 and replace with the following:  

“Each collection period, subject to Section 8.3, the Contractor will collect one 90-litre, 120-litre, 180-litre, 240-litre or 360-litre Cart of Garbage from each Single Family Dwelling (with or without a Secondary Suite) and MURD, as applicable.”
- b. Delete Section 8.3, and replace with the following:

“The Contractor will collect Garbage in excess of the amounts set out in Section 8.2 (“**Excess Garbage**”) if:

- (a) the Excess Garbage is placed in a Can, a bag or some other similar receptacle and bears an Excess Garbage sticker;
- (b) for any reason there is a backlog of Garbage that should have been collected in a previous collection period that was not collected including because of the Contractor’s failure to complete the Garbage Collection or because weather or other conditions prevented full collection, and the City’s Representative gives notice to the Contractor’s Representative to collect the backlog, in which case no Excess Garbage stickers need be affixed to the Excess Garbage; and
- (c) the City has approved and issued additional Carts to any Single Family Dwellings and MURDs.”

- c. In Section 9.2, delete the second sentence and replace with the following:

“Residents of Single Family Dwellings and MURDs may dispose of up to six LIPU Items per calendar year, except for residents Single-Family Dwellings with a Secondary Suite who may dispose of up to eight LIPU Items per calendar year, and residents of MURBs who may dispose of up to four LIPU Items per calendar year (such allocation per LIPU Customer, the “**LIPU Allocation**”).

- d. In Section 9.5, add the following to the end:

“The Contractor will identify and propose one or more facility(ies) that is capable of recycling those items which are to be recycled in accordance with the disposal instructions set out in the table below (each a “**LIPU Recycling Facility**”) to the City, except for mattresses and box springs, in respect of which the applicable facility will be identified in accordance with Section 9.7. Subject to the prior written approval of the City’s Representative of such facility, or the direction by the City’s Representative to use a different facility from time to time throughout the Term, the Contractor will transport such recyclable items collected as part of LIPU to the applicable LIPU Recycling Facility. In the event the City’s Representative directs the Contractor to deliver any recyclable LIPU items to a LIPU Recycling Facility outside of the Metro-Vancouver region, the City will pay the Contractor’s reasonable actual costs incurred as a result of such change to the applicable LIPU Recycling Facility.”

- e. Delete Section 9.7 and replace with the following:

“The Contractor will identify and propose a facility that is capable of recycling mattresses and box springs (the “**Mattress Recycling Facility**”) to the City. Subject to the prior written approval of the City’s Representative of such facility, or the direction by the City’s Representative to use a different facility from time to time throughout the Term, the Contractor will transport mattresses and box springs collected as part of LIPU to such Mattress Recycling Facility. The Contractor will pay applicable disposal fees directly to the Mattress Recycling Facility, and the City will reimburse the Contractor for such fees in accordance with Section 18.1(d). In the event the City’s Representative directs the Contractor to deliver mattresses and box springs to a Mattress Recycling Facility outside of the Metro-Vancouver region, the City will pay the Contractor’s reasonable actual costs incurred as a result of such change to the Mattress Recycling Facility. If the Contractor determines mattresses and box springs must be wrapped for collection, the Contractor will provide and deliver mattress bags to Single Family Dwellings and MURBs. In accordance with Good Industry Practice, the Contractor will store any mattresses prior to their delivery to a Mattress Recycling Facility.

- f. Delete Section 9.10 and replace with the following:

“Subject to the City exercising its Upholstered Furniture Recycling Option in accordance with Section 9.9, the Contractor will identify and propose an Upholstered Furniture Recycling Facility to the City. Subject to the prior written approval of the City’s Representative of such facility, or the direction by the City’s Representative to use a different facility from time to time during the Term, the Contractor will transport upholstered furniture collected as part of LIPU to such Upholstered Furniture Recycling Facility. The Contractor will pay applicable disposal fees directly to the Upholstered Furniture Recycling Facility, and the City will reimburse the Contractor for such fees in accordance with Section 18.1(d). In the event the City’s Representative directs the Contractor to deliver upholstered furniture to an Upholstered Furniture Recycling Facility outside of the Metro-Vancouver region, the City will pay the Contractor’s reasonable actual costs incurred as a result of such change to the Upholstered Furniture Recycling Facility. In accordance with Good Industry Practice, the Contractor will store any upholstered furniture prior to its delivery to a Upholstered Furniture Recycling Facility.”

- g. In Section 10.2, add the following to the end:

“The nature of the cooperation will depend on the dispute, but this could include provision of information, documents and access to personnel with knowledge as may be requested by the city, at no cost to the City.”

- h. Delete Section 10.7(a) and replace with the following:

“(a) Contamination management strategies and tools, including education and promotion (including with respect to education and promotion obligations under Section 2.3 of each of Schedules 2.1(a) and 2.1(b) of the Recycle BC Services Agreement);”

- i. Delete Section 12.10 and replace with the following:

“Except in respect of mattresses and box springs collected as part of LIPU pursuant to Section 9.7, and upholstered furniture collected pursuant to Section 9.10:

- (a) the Contractor will not pay disposal fees for Garbage or Organics delivered under this Contract; and

- (b) the City will pay any disposal fees for Garbage and Organics directly to the applicable Garbage Facility and Organics Facility, provided that the material being disposed of was collected from within the Collection Area and in accordance with the Contract.”

- j. Delete Section 18.1(d) and replace with the following:

“(d) the compensation for LIPU as set out in Section 9.3, including reimbursement of disposal fees incurred in accordance with Sections 9.7 and 9.10; and”

- k. Delete Schedule 3 and replace it with Attachment 2 to this Addendum No. 2.

- l. In Schedule 6, delete “April 2023” in the last row of each of the tables in Sections 1, 2 and 5, and replace with “April 2024”.
