QUESTIONS AND ANSWERS:

Q1.   Regarding website size, how much data is there?

A1.   Just under 1 GB.

Q2.   By dedicated infrastructure we assume you mean logically separate (not physical separate)? Please confirm.

A2.   In the requirement description, "dedication infrastructure" refers to physical infrastructure components (network, storage, compute). Please identify the dedicated and/or shared infrastructure components required for the proposed solution. Please also provide details of logical separation if there is shared infrastructure and any multi-tenancy with regards to application and information management. This is mainly to understand the legal implications for access to City data in all circumstances.

Q1.   Could you please provide any information on the architecture of the website?

A1.
