QUESTIONS AND ANSWERS:

Q1: Referring to General Security Requirement 4003: Can the City please provide the password policy as referenced in this requirement?

A1: The City is unable to release our password policy publicly. A suitable response to this mandatory requirement is "We meet this by integrating with City's Identity providers which are Active Directory and ENTRA ID" or Proponents can provide details of their capabilities for password management for the City's consideration.

All Addenda will become part of the Contract Documents.
