INFORMATION FOR CONTRACTORS

This Addendum is issued to provide additional information and clarifications to the RFQ for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the contractor not being familiar with this addendum. This Addendum No. 1 contains one (1) page in total.

For clarity, in Schedule A-1 – Technical Specifications, substitute “Minimum Specifications” with “Preferred Specifications”. Also, further to “14. Multiple Preferred Contractors” on page 6 of the RFQ document, the City reserves the right to choose different manufactures and/or different Contractors for each of the vehicles specifications identified in Schedule A-1 – Technical Specifications that represent the best value to the City.

Add (to page 6): Section 15. Alternate and/or Variations to Specifications

Except where stated otherwise herein, the specifications describe what is considered necessary to meet the performance requirements of the City and suppliers should quote in accordance with such specifications or if the supplier cannot meet the specifications, the supplier may offer an alternative which it believes to be equivalent. Suppliers are to clearly indicate any variance from the City specification. The City is not obligated to accept any alternative.

END OF ADDENDUM

All Addenda will become part of the RFQ Documents.
