QUESTIONS AND ANSWERS:

Q1. Can companies from outside Canada apply?

A1. Companies from outside of Canada can respond to this RFQ.

Q2. Do we need to come the City of Surrey for meetings?

A2. You may be required to attend meetings for this RFQ during the delivery phase.

Q3. Can we perform the tasks (related to RFP) outside Canada (ei. from India or USA)?

A3. You could perform tasks outside of Canada as long as you are not in violation of British Columbia's strict privacy laws. For example, you could not transfer any personal data outside of Canada.

Q4. Can we send the Submissions via email?

A4. Yes, see section 2.1 Address for Submission Delivery of the RFEI/SOQ.

Q5. Please clarify if the RFEI/SOQ is asking for potential staff (i.e. staff augmentation/temporary employment) or if it is requesting a full-service company that handles the scope of services via an in-house team.

A5 The City is searching for full service company to deliver the services. For some instances the City of Surrey might provide the design assets, but the Respondent would be responsible for full development and delivery of the services.
