**TITLE:** EMERGENCY NOTIFICATION SYSTEM  
**ADDENDUM ISSUE DATE:** NOVEMBER 22, 2019  
**CLOSING DATE:** PREFER TO RECEIVE QUOTATIONS ON OR BEFORE NOVEMBER 28, 2019

**INFORMATION FOR CONTRACTORS**

This Addendum is issued to provide additional information and clarifications to the RFQ for the above named project, to the extent referenced and shall become a part thereof. No consideration will be allowed for extras due to the contractor not being familiar with this addendum. This Addendum No. 3 contains one (1) page in total.

**Q.1. We may not have enough time to submit by the date given in the RFQ (Section 2.2, page 5), when would be the last date to submit?**

**A.1. The preferred Date is as per Section 2.2 on page 5 of the RFQ.**

**Q.2. Having data centres in Canada was only identified as 'Preferred' and not 'Mandatory'. It was my understanding that in order to clear your Privacy Impact Assessments, BC regulations required mandatory Canada only DCs. Could you clarify this item for me please?**

**A.2. This requirement should be noted as a "Mandatory". For greater clarity, this question is in reference to Req. # 3008. Under "Level of Need", delete "Preferred" and substitute with "Mandatory".**

**Q.3. We have noticed that you are requesting the quote be drafted in Canadian currency. Will we be disqualified if we price in U.S. dollars?**

**A.3. All fees are payable in Canadian dollars. As per Schedule C-5-1, all prices should be in Canadian dollars but pricing in another currency will not result in a Quotation not being considered.**

**Q.4. In requirements 2035 and 2037 the City mentions "BC Tools", our technical team might know it by another name. Could you please describe the product or provide a link to allow us to better answer your questions?**

**A.4. For clarity, "BC Tools" is referring to "Business Continuity Tools".**
