QUESTIONS AND ANSWERS:

- Q1.** If we are to include trucking, where is the pickup of the material in Surrey?
- A1.** The two yards for pick up are 14710 116 Ave and 18456 60 Ave.
- Q2.** It is assumed the time schedule is dictated by the City of Surrey based on the amount of material they produce. Please explain how we should account for this in our schedule?
- A2.** Every month varies, between 100 and 900 tonnes per month. Slower months can be stockpiled to make it more convenient for pickup.

All Addenda will become part of the Contract Documents.
