**PROPOSAL:**

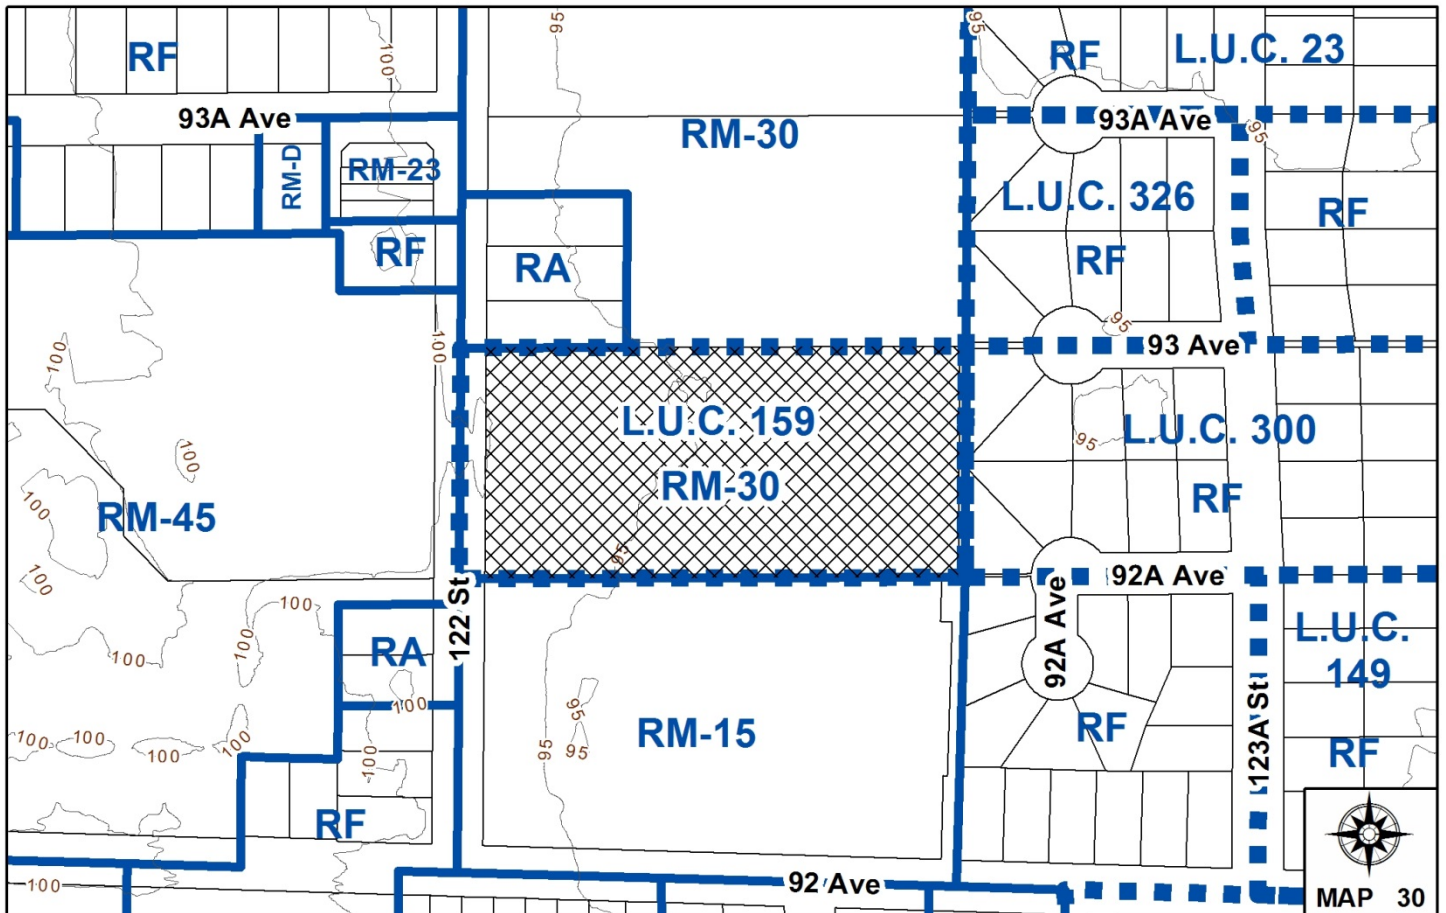

- Terminate Land Use Contract No. 159

to permit the existing underlying RM-30 Zone to come into effect.

### RECOMMENDATION SUMMARY

- By-law Introduction and set date for Public Hearing to terminate LUC No. 159.

### DEVIATION FROM PLANS, POLICIES OR REGULATIONS

- None

### RATIONALE OF RECOMMENDATION

- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024.
- On June 15, 2015, City Council endorsed the recommendations in Corporate Report No. R122, which outlined a process with respect to the early termination of LUCs in Surrey.
- In accordance with recent legislative changes, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period.
- City staff are now moving forward with the first group of LUCs to be terminated, in accordance with the approved process described in Corporate Report No. R122, which prioritizes based on business development or the simplicity of the termination.
- LUC No. 159 was adopted by By-law No. 4721 on August 23, 1976.
- LUC No. 159 permits low-rise residential (townhouse), multifamily uses and ancillary uses.
- Once LUC No. 159 is terminated and the one-year grace period ends, the current underlying RM-30 Zone will come into effect and will regulate the subject lot.

## RECOMMENDATION

The Planning & Development Department recommends that a By-law be introduced to terminate Land Use Contract No. 159 and a date be set for Public Hearing.

## BACKGROUND

- In the early 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*) that allowed local governments to enter into Land Use Contracts (LUCs) with land owners and/or developers that incorporated zoning, development control and servicing issues into one document. As a result, on lands within an LUC, the LUC became the governing land use control and, in some instances, the subdivision and development control as well.
- Although LUCs are an agreement between the City and land owners/and developers, all LUCs were adopted by By-law. The first LUC in Surrey was adopted by City Council by By-law on August 7, 1972.
- In the late 1970s the Provincial Government adopted changes to the *Municipal Act* (now called the *Local Government Act*), eliminating the ability of municipalities to enter into LUCs.
- Approximately 370 LUCs were adopted in Surrey, most of which remain in effect.
- In 2014, the Provincial Government adopted changes to the *Local Government Act* that terminate all Land Use Contracts (LUCs) in the Province on June 30, 2024. However, the legislation also permits municipalities to undertake early termination of LUCs in advance of 2024, should they choose to do so.
- On June 15, 2015, Council approved the recommendations in Corporate Report No. R122, which outlined a proposed process with respect to the early termination of LUCs in Surrey, which prioritizes based on business development or the simplicity of the termination.
- As a result, City staff are moving forward with the termination of LUC No. 159 in accordance with the approved process.

## PUBLIC NOTIFICATION

Early termination of LUCs is a Council-initiated project that does not require the consent of landowners within the LUC being terminated. A Development Proposal Sign has not been installed and no pre-notification letters have been mailed.

However, the LUC Termination By-law is required to have its own Public Hearing. As a result, the Public Hearing Notice will be delivered to all owners and tenants of properties within LUC No. 159, informing them that Council is considering terminating the LUC. Notice of the Public Hearing will also be delivered to adjoining property owners and tenants within 100 metres (or 3-lot depth, whichever is greater) of the boundaries of LUC No. 159. In addition, the Public Hearing notice will be published in two consecutive issues of the Surrey Now newspaper.

## DISCUSSION

- It is now in order for LUC No. 159 to be considered for early termination.
- LUC No. 159 was adopted by LUC Authorization By-law, 1976, No. 4121 on August 23, 1976.
- LUC No. 159 regulates one large lot (9264 – 122 Street), along 122 Street, just north of 92 Avenue. The subject lot is occupied by a townhouse development that consists of 52 townhouse units.
- The subject site is designated “Urban” under the Official Community Plan (OCP) and has an underlying Multiple Residential 30 Zone (RM-30) under Surrey Zoning By-law, 1993, No. 12000, as amended.
- The subject site is bordered to the north, west and south by townhouse developments, and to the east by single family dwellings.
- The subject site was stratified in 1977 under Strata Plan NW833.
- LUC No. 159 permits low-rise residential (townhouse), multifamily uses and permitted ancillary uses thereto.
- In accordance with the recent legislative changes, the LUC Termination By-law must include an effective date that is no less than one year from adoption of the by-law, resulting in a grace period. The subject Termination By-law has a one-year grace period.
- Once LUC No. 159 is terminated and the one-year grace period ends, the current underlying RM-30 Zone will come into effect and will regulate the use of the land.
- The RM-30 Zone permits multiple unit residential buildings, ground-oriented multiple unit residential buildings, and child care centres as an accessory use, at a maximum density of 30 dwelling units per acre (UPA).
- The 1.76-hectare (4.35 ac.) subject site consists of 52, 2-storey townhouse units (some with basements) in 9 multiple unit residential buildings, resulting in a total density of 12 UPA.
